No doubt it is a hard case but unfortunately every taluk office has many similar cases. The M^r is unable to support the application. The only possible ground of consideration is his service in unhealthy tracts.

To,

15th June 1897.
The Chief Secretary to the Government
in the education Department
Madras.

Most honored Sir,

May it please your Grace.

With demonstration of every

sentiment of due regard and profound
Submission I. M. B. Ramas Rao Taluk Gumastah
(Record clerk) Udampet Taluk of Sombatore
District most humbly and respectfully
beg to bring the following to the merciful
Consideration of Government with a hope
that my humble request may be taken
into favourable Consideration and crowned
with Success—

I was appointed in the year 1874—
Since my appointment I was in Talavady &
Hassanore for 5 years. The said two places are
the most unhealthy climates in the District.
I was then transferred to the plains after
having been bed ridden for about 14 times
from severe jungle fever.—

Mr Webster the late

Collector who had been on tour at Dimbura
on the hills at that time had the
mercy of making enquires about my sufferings -
He sent for me and inspected me personally
ordered me that he has transferred me
to the collector's office on promotion - I then
represented to the collector that I have
not passed the requisite examination -
He was very sorry after having heard
this and again ordered that he would
transfer me no sooner he goes down,
and at once transferred me to Sahyamongalum
and promised that my case for exemption
will be considered on my presenting
a petition therefor - Unfortunately for me
the good gentleman breathed his last
after a month or two my case was left
unnoticed -

My total service is 24 years -
I have been doing my duty till now
to the entire satisfaction of my superiors -
I have also acted as

Revenue Inspector and drawn my pay
as such -

I most respectfully crave that
the enclosed copies of all the testimonials
including those of recent dates and
also the enclosed endorsed petition
to the Board of Revenue and the endorsed
petition presented before the late Tahildar
of Sahyamongalum may be ^{perused} and justice
rendered -

I have also served under several
educated gentlemen and still continue
to serve under the educated & honest gentlemen
who will also testify to my character,
ability & perseverance -

I did not prosecute my study
owing to poverty and long service at
unhealthy localities -

I most respectfully beg to request
that the pencil remarks of the Board of
Revenue on my petition may be kindly

perused.

I have no other means than depending
on Govt service. I am a large family man
with 8 children depending upon me for support.
My forefathers held appointments
in the Government service for ⁵ generations
and I am the only one who is a public
servant amongst the several members
of my family. Hence the appointment
is likely a hereditary one in my family.

I have not taken leave for the
last 14 years except privilege leave
twice.

If your honor be graciously
pleased to consider my miserable
circumstances your honor will be convinced
that even after so many years
of service I have yet to serve
10 years more without any promotion
and encouragement.

The Composition and
handwriting of the ^{up} of the
whole correspondence

Correspondence herewith submitted
are my own.

I beg to request that the
Copies of Testimonials &c may be
ordered to be returned to me after
perusal.

I have not been subjected
to any kind of punishment or displeasure
till now at the hands of my superiors.

Several persons in the judicial
and Registration departments have
been exempted from passing the
required test.

Recently some of the special
fund clerks have also been exempted
& promoted.

Under the foregoing circumstances
I most humbly and respectfully crave
your honor will be pleased to exempt
me from passing the required test
for promotion for Rupees 20 and
upwards as I hear that the scheme

is to come into force shortly.

I beg to remain
Most honored Sir,
your honor, most obt.
and humble servant
et al. Dama Rao
9. Gunasakti.

Most respectfully submitted

Through. The Tahsildar of
Udamulpet.

Submitted to the Head Quarter Collector
for favorable consideration.

The petitioner has been a clerk
under me for nearly 7 1/2 years. He has
recently been transferred to the office
of the Stationary Magistrate Udamulpet
where he is now 2nd clerk. During the
period he has served under me he has
worked hard and given me satisfaction.
He is a clerk of 23 1/2 years standing
and competent for promotion. He has
a large family to support. His pay is
only 15 Rs which is quite insufficient

for the maintenance of his large family.
He has not passed the examinations
required for promotion to 20 Rs and
upwards. So he requests exemption
from passing those examinations, in
order to enable him to obtain promotion
to a clerkship on 20 Rs and upwards.
His prayer deserves favorable consideration
and orders.

CURRENT NO 1262

Endorsement G.O.C. no. 3592 Rev. of 97, Dated Oct. 23, 1897

Submitted to Government for orders.

2. The petitioner seeks exemption from the rule
restricting posts on Rs. 15 and upwards to matriculates.
He seems to have made a similar application
in 1885 which was, presumably, rejected.

3. The man has good testimonials but, as I do not
think that Government is prepared to grant exemp-
tions freely to all persons who have performed
their duties satisfactorily, I am not prepared to
support the petitioner's prayer.
