OFFICE OF THE COMMISSIONER

FOR GOVERNMENT EXAMINATIONS,

Madras, 14th October 1897.

From

THE HON'BLE MR. D. DUNCAN, M.A., D.Sc., LL.D.,

COMMISSIONER FOR GOVERNMENT EXAMINATIONS,

Madras,

To

THE SECRETARY TO GOVERNMENT,

LOCAL AND MUNICIPAL DEPARTMENT,

Fort St. George.

SIR,

With reference to G. O. No. 380,
dated 7th July 1897, Educational,
I have the honour to request to be
favoured with instructions in regard
to the procedure to be adopted in
the case of the examiners who are
Government Servants, appointed by
me to take part in the various public
examinations under my control as
Commissioner for Government Exa-
minations. The practice hitherto
has been, as soon as possible after
an examination has been held, to
submit to Government the names
of those who took part in it

as Examiners and to request the sanction
of Government for the payment to them of
re stipends for which they are recommended.
If in addition to this, it is necessary now
for persons in the service of Government
to obtain the special permission of
Government before accepting Examinerships
offered to them, two courses appear to
be open. Each individual to whom ^{an} Examinership
is offered may be required to address
Government separately and directly, or
I may be permitted, on behalf of those
whom I propose to appoint, to submit
their names to Government and obtain
the required permission. The latter,
as being the simpler and more convenient
course, is the one I should prefer, if
there are no objections to it. In either
case, it will not be possible to state
the amount of fee an Examiner will
receive, as this can only be determined
after the Examination has been held,
with reference to the number of candidates
examined and other considerations.
In this connection, it appears necessary
for

for me to point out that Article
91(c) makes no mention of Examination
other than University Examination.
I would suggest the insertion of
the words "and other public" after
the word University.

I have the honour to be,
Sir,

Your most Obedient Servant,
Commissioner.

W.H.

C. No. 1185 of 97

SUBJECT.

Remuneration to Govt servants
for conducting Govt examinations.

FOR ORDERS.

The Commissioner is under a misapprehension. Article 99 of the C.S.R. is not applicable to the grant of remuneration to Govt servants for conducting Govt examinations. It is governed by article 89. Govt servants are not therefore required to obtain the sanction of Govt for accepting examinations in Govt examinations. The Govt can appoint any of its servants to be examiners and remunerate them under art 89(b). The appointments made by the Commissioner are made by him for Govt.

In one sense: but an officer must obtain sanction in his own Dept. The app^r or remuneration of the D.P. is not sufficient.

Draft 8/11/97
P.T.O. 11/11/97

Resubmitted for instructions as to the terms in which the order is to be drafted.

The Comr. requests that 'each individual to whom an examination is offered may be required to address Govt separately and directly or he (the Comr) may be permitted, on behalf of those whom ^{he} proposes to appoint, to submit their names to Govt and obtain the required permission'.

He also points out that Art 91(c) makes no mention of examinations other than University examinations and suggests the insertion of the words "and other public" after the word University.

It is submitted that Art 91 (a), (b) & (c) do not apply to Govt examinations and that they are governed by Art 89. Under Art 89(d) the Govt can declare that the conduct of all or any of the examinations under the control of the Comr. does not come within the ordinary duties of the Officer or Officers conducting them and if such a declaration is made it may not be necessary for Officers to obtain

sanctions in their own dept. This will curtail work in Govt Offices.
