OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 15 November 1897.

No. 12596-

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department.

SIR,

I have the honour to submit a list of library books and maps required for the use of the upper secondary department of St. Joseph's College, Trichinopoly, and to request that Government will be pleased to sanction a grant of Rs. 738 under Chapter VIII of the Grant-in-Aid Code towards the cost thereof.

2. The manager proposes to purchase several copies of each book with a view to encourage home reading among the pupils. His proposal appears to me to be an excellent one and is calculated to create a much needed taste for general reading among a large number of students.

3. The grant will, if sanctioned, be paid next year, the current year's budget allotment under "Furniture and other special grants" having already been exceeded.

I have the honour to be,

Sir,

Your most obedient servant,

D. Duncan

Director of Public Instruction.

History & Geographical Readers
- 20 copies of each - which
seem to be no more than
school books.

Then there are other books
which seem quite unsuited
for native children (or indeed
for any children in the present
day - it is supposed e.g. to invest
one pound of the taxpayers
money in Sandford Merton!).
The Blue true story book is not
intelligible
to native children?
might aid in teaching the maps &
books of which one copy is required
- only two copies of all the
these. I do not approve the
Granville Popular library at
all.

Many of the pupils are children
of well-to-do people, & they had been
story books for themselves

I agree. Give the D.D. the
reasons detailed.

The Series called the
Granville Popular
Library ^{and} be included
His may be given
for the other maps
& books, but where
more than one copy
has been entered
only two copies ^{and}

11. 12. 97.

The Literary, Science, History
and Geographical Readers men-
tioned in the list submitted with
the Director's letter seem to be no
more than school books and some
of the other books in it, such as
Sandford and Merton and the
Blue true story book, seem quite
unsuited for native children.
No aid can therefore be afforded
for the purchase of 20 copies of
each of them and of the Granville
Popular Library which does not
at all meet with the approval of
Govt. Aid will, however, be afforded
for the purchase of the maps
and books of which one copy is
required and only two copies of
all the others.
