15 months ago! Mr. Holder and Dr. Duncan reminded me again about the matter when he was here. I hear Mr. Holder is now in the hospital and is very ill and is even protesting that he will leave. 23/12/97

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 1 December 1897.

CURRENT 1422

No. 13309

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department,

Fort St. George.

SIR,

Mr. Holder, acting Superintendent, School of Arts, is again unwell and is now an in-patient in the General Hospital. As the Medical officer reports that he will not be fit for duty for a month I have the honour to request that Mr. Alfred Chatterton, Professor of Engineering, College of Engineering, be placed in charge of the school, with an allowance of Rs. 100 per mensem, until Mr. Holder is able to resume his duties. Mr. Chatterton was in charge of the school for three months in 1889 and is now attending the school, with my permission, making experiments with aluminum. As his work in the College of Engineering will be light till the end of January he can conveniently discharge the additional duties at present.

2. I would again urge on Government the pressing necessity for securing the services of a competent Superintendent for the school pending the orders of Government on the proposals for the reorganization of the institution. The appointment of a Superintendent from England need not wait till final orders are passed on the reorganization of the school.

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Instruction.
