FROM

THE PRINCIPAL,

COLLEGE OF ENGINEERING, MADRAS,

To

The Director
of Public Instruction,
Madras.

In G. O. No. 357 W, Public Works Department, dated 5th February 1892, it was ruled that Instructors of this College should pay rent, if they occupied public quarters.

2. A special reference was made in regard to the exemption of the Superintendent of Military Students, on the ground that he was compelled, in virtue of his duties, to occupy particular quarters in the College building. Government, however, refused exemption in their orders, No. 386, Educational, dated 18th May 1892 and No. 581, Educational, dated 8th August 1892.

3. Subsequent to the issue of these orders, the Government of India Public Works Code has

has been brought into force in the Madras Presidency. Volume I, Chapter X, para 32, V of that Code runs as follows:— "Officers who are supplied with public quarters and compelled to live in them for special reasons, such as, ~~added and~~, are exempted from the operation of these rules, so far as they relate to the payment of rent for the occupation of such quarters."

Resident
Physicians and
Surgeons of hospitals

4. I have the honour to request orders regarding the exemption of the Superintendent of Military Students from the payment of rent, and regarding the refund to him of any rent which may have been incorrectly claimed from the date of the introduction of the Government of India Public Works Code.

I have the honour to be,

C. No. 950

SUBJECT.

Free-quarters for the Superintendent of
Military Students in the College of
Engineering

FOR ORDERS.

order No. 725810-12-97 In G.O. 357 W dated 5 February 1892

The Govt does not
consider that the
Instructor in Surveying
& Drawing, who has
also been allowed to
hold the post of
Supr of Military
Students, comes
within the operation

the Government ordered that rent should be
recovered from the instructors of the College of
Engineering for the public quarters occupied by them.

The Principal thereupon requested that
Conductor James, Instructor in Engineering, who
also holds the appointment of Superintendent
of Military Students might be exempted
from the operation of that G.O. in consideration
of his "military duties", but the Government held
that the post of the Superintendent of Military
Students was entirely subsidiary to that of instructor
which was purely a civil one & did not carry
with it the right to free-quarters [G.O. 386
18.5.92].

A reconsideration of these orders was solicited
subsequently & that was declined in G.O. 581
8.8.92.
Please see notes & orders in the G.O. quoted above.

The Principal now states that subsequent
to the orders of 1892, the Government of India Public
Works Code has been brought into force in this
Presidency

of para. 32 (V)

Chapter X

of India

to D. Code Vol. I.

M. I.

O.P.I. (910). 8 12 97.

Depd 11/12/97

and requests that the Superintendent of military students be exempted from payment of rent for the public quarters occupied by him (from the date of introduction of that Code) under clause (D) of Chapter I volume I of the Code, which runs as follows: —

- " Officers who are supplied with public quarters
- " and compelled to live in them for special reasons,
- " Such as Resident physicians & Surgeons of
- " hospitals are exempted from the operation of
- " these rules, so far as they relate to the payment
- " of rent for the occupation of such quarters."

The Superintendent of military students, it is submitted, is not supplied with ^{public} quarters nor is he compelled to live in them. The facts are that some of the quarters of the military students being available certain members of the college staff have been permitted to occupy them on payment of the usual rent. The post in question is now held by Sergeant W.H. Goddard, Instructor in Surveying & Drawing and he is in receipt of a salary of Rs 300 as instructor & of Rs 20 to 40 as Superintendent. The duties of the Superintendent appear to be to look after the discipline, messing & clothing &c of the Soldier students of the College, and in order to discharge his duties satisfactorily it may be desirable for him to live near the military students.

But

flag E.

But this does not constitute a right for free-quarters and Government refused to regard it as such in 1892.

In this connection it may be noted that in para 5 of his letter recorded in G.O. 224 8.4.96 the Principal recommended the construction of separate quarters for the Superintendent of military students on a pretty liberal scale and any concession now granted may probably induce him to repeat his former request.
