From

The Principal.

To

The Ag. Director of Public Instruction,

Madras.

Sir,

In reply to your official memorandum dated 20th August 1897 No 907, I have the honour to observe that of the total sum of Messrs. Bhashyam and Co's estimate Rs. 25943, Rs. 21688 is devoted to the furnishing of the 3 lecture halls, the furniture and general arrangement of each being on the model of the Presidency College rooms. It is therefore unnecessary, I presume, for me to explain the necessity for the class room furniture, which is all in accordance with the recognised system. I may however observe that item (5) provides 3 chairs for each class room. These are not strictly necessary, but no provision is made elsewhere in the estimate for chairs (except in the case of the Library) which are needed for the class rooms, Principal and Professors' rooms, clerk and Librarians' offices &c and the total number provided viz 24 (3x8) is not by any means too many for a building of the size of the one in question.

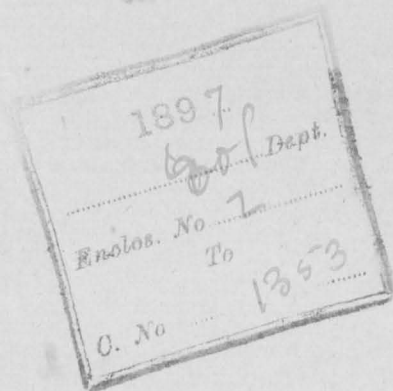

2. The library in which from its size and position will be the natural place for holding meetings of the College Council or Conferences and small meetings of a similar description, requires a long table and chairs for these purposes. Items (10) and (20). The room is a very handsome one and it would be a pity not to furnish it in a suitable style. Accordingly the retention of item 12 (a), the six large book-cases for 3 sides of the room and 12 (b) the 4 book-cases, one for each corner, is, I think very desirable. To furnish it commonly would be to entirely mar the "show place" of the building. Items (13), (18) and (19) are much needed in the interests of general convenience and neatness. Items (14), (15) and (16) are the only articles of furniture (save the chairs referred to above) provided for those rooms and are obviously necessary. Item (17) could be dispensed with.

3. I have the honour to return herewith the three original estimates referred to in your memorandum under reply.

I have &c

Principal.

From

~~THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,~~

AG. DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,
Local and Municipal Department.

SIR,

With reference to G.O. No 153, Educational, dated 6th March last, I have the honour to submit designs and detailed estimates in regard to the furniture required for the Law College. The number of lecture rooms and the furniture required for each room are shown in the estimates. A copy of the Principal's letter No 94 dated 26th ultimo, which explains the necessity for each item is also enclosed. I endorse the Principal's suggestion that the Library should be furnished in a beritting style.

2. The Principal thinks that the item No 17 in the estimate (wardrobes) may perhaps be omitted, and I agree with him. If this item be omitted, the total estimate will amount to Rs. 35,735.

3. No express provision has been made in the budget for meeting this outlay on account of the Law College, and I would suggest that Rs. 35,725 be transferred from the sum of Rs. 80,000 allotted in the budget for Students' Hostels, as it seems unlikely that any large portion of this allotment will be claimed during the financial year. I solicit the favour of early orders on the subject.

4. The delay in the submission of these estimates is due in part to the Principal's absence from Madras during the College vacation and in part to the sickness and death of the clerk

in the Law College. It was not till the 26th ultimo that I was placed in possession of all the necessary papers on the subject.

I have the honour to be,

Sir,

Your most obedient servant,

W. B. Bilderbeul

Ag. Director of Public Instruction.

Grand total - - - - - Rs 25,943

The Principal thinks & the D.P.I. agrees with him that the last item in the above list viz: wardrobes for the Professors & Asst Professors can be dispensed with. If it is omitted, the cost of the furniture will amount to Rs 25,723.

2. No provision exists in the current year's Educational Budget for meeting the cost of the furniture. The D.P.I. therefore proposes that Rs 25,723 be transferred from the sum of Rs 80,000 provided in the budget for the Students' Hostels. From this allotment, however, a sum of Rs 23,000 has already been re-appropriated for the expenditure incurred on account of the purchase of Crown bark required by the Director of Govt. Cinchona Plantations. vide G.O. N^o 733 Fmt dated 8th September 1897. (Hag. J.) Of the balance remaining viz

vide p 42 280 790 790
17-11-96. Fmt

Rs 57,000, Rs 25,000 will have to be paid during the current year toward the Kumbakonam Students' Hostel Scheme (vide G.O. No. 97, Edl. dated 18.2.97 (Flag D)); and Rs 25,000 may be required in connection with the Victoria Students' Hostel Scheme, thus leaving a balance of only Rs 7,000.

3. According to G.O. No. 400, Edl. dt 15.7.97 (Flag C), the construction of the Victoria Students' Hostel will not be proceeded with until the sum of Rs 25,000 subscribed by the late Maharajah of Vizianagaram is realized. If the payment of the Govt Contribution is also to be withheld until the Maharajah's subscription is ^{paid} realized, the amount may not be required to be disbursed during the current year & Rs 25,723 may be reappropriated from the provision of Rs 57,000, to meet the cost of the Law College furniture.

WA 22/9/97 H.A. But better purchase till after 1st Jan 8/10/97

* G.O. No. 205 Edl dt 30.3.94. Flag F

No expenditures should be incurred before the 1st Jan. The sum Rs 25,000 may be for the Victoria Hostel may be required this year. We shall know more about the cost of the 1st Jan. The 12 chairs or chairs for Rs 20 each are too expensive. Handsome chairs can be made for much less. The wardrobes should be disallowed. How do we know that the prices for the galleries & platforms of the lecture hall are right? Some of them seem to be very high. Could not the Cons. Arch. be asked?
