OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 8 December 1897.

No. 13601

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department.

SIR,

I have the honour to request that you will

be good enough to obtain the sanction of Government for the

transfer of a sum of Rs.2500 out of the lump provision for

26 Secondary schools for girls Rs.1200
28 Primary schools for boys Rs.1000 increases of "Salaries, Establishment,
30 Primary schools for girls Rs.1000
Total Rs.5200
Rent and Contingencies" under

"Government Schools-General" in the budget estimate for the

current year-Rs.1500 to "Supplies and Services" under "Govern-

ment Colleges-Special" and Rs.1000 to "Petty works of

Construction" under "Government Schools-General". The above

transfer is necessary for the following reasons:-

(1) The Principal, College of Engineering, has applied for an allotment of Rs.1500 in excess of the budget allotment to keep the College Workshop in working order to the end of the official year. The stock of materials has become unworkably

small, owing to the absorption of stock materials for the

manufacture of indispensable articles of furniture.

(ii) The provision made under "Petty works of Construction" is now found quite insufficient, as several Government School buildings stand in need of repair.

3. The favour of very early sanction is solicited so that the several works may not suffer.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. M. M. M.

Director of Public Instruction.
