Read Memorandum from Government
No. 2403 Educational, dated 15th November 1897.

Resolution

With reference to the memorandum read above, the Board begs to state that its recommendation for the exemption of the Sub-Inspector from passing the departmental tests was based on the ground that he is 45 years old and consequently cannot be expected to study for examinations. He bears an excellent character, has done good work and merits promotion. The tests from which he requires to be exempted are as surmised by Government A, B, C and F in the lower grade and E in one language.
