OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 20th December 1897.

No. 14214.

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department.

SIR,

I have the honour to request the sanction of Government under article 992 of the Civil Service Regulations for the retirement on the 31st instant of Mr. J. Hamilton, Assistant Instructor in Surveying and Drawing, College of Engineering. He attained his fifty-fifth year of age on the 21st April last; but he has been allowed to continue in service till the end of the current month as changes in the middle of the year were considered inexpedient.

2. Major Love does not support the application of Mr. Hamilton for further retention as he considers that it would be contrary to the interests of the public service for Mr. Hamilton to remain longer in the College. The Professor of Engineering also remarks that Mr. Hamilton is many years behind the times, and that he takes no interest in teaching and that he cannot teach and that on no account ^{should} his services ~~need~~ be extended.

3. In anticipation of the approval of Government and in order that the College may not be undermanned on its reopening after the holidays, the Chief Engineer, Public Works Department has been requested to spare the services of a subordinate officer for employment in the College with effect from the

15th

January next.

I have the honour to be,

Sir,

Your most obedient servant,

J. G. Munro

Director of Public Instruction.
