To

His Excellency the Right Honorable Sir Arthur Havelock G. C. M. G. Governor of Madras

Your Excellency,

I most humbly and respectfully beg to bring the following few lines to your Excellency's noble and valuable notice hoping to be crowned with success.

The untimely death of my father, the late Abdul Ghani Khan Bdr. who was a Deputy Collector under the British Government, brought a great misfortune upon me and prevented me from receiving higher education. I however appeared for the matriculation examination but having not proved successful therein, I was obliged to discontinue my studies. Two years ago I was exempted by Government from passing the Upper Secondary examination in view to my admission into the Public Service.

I mistook this exemption to be the channel of my success in life because for the last 2 years I have been searching for some employment at Madras, but it is a matter for deep regret that I am in the same position as I was before I got the exemption order. Now I have come to the conclusion that it is a gross mistake for a man who is not even a matriculate to think of a Government Service. I am consequently determined to join any Public institution

and to appear this year for the matriculation examination. The completion of this object is beyond my ability because I can not undergo the chances that I am likely to meet with; my mother who draws a pension of Rs 140 a month, being involved in heavy debts, is also unable to help me. Under such circumstances I earnestly pray and sanguine hope that your Excellency, who takes great interest in affairs connected with the welfare of the Muhammadan community, will be graciously pleased to render assistance and to grant me any amount of money — in shape of Government scholarship to be continued only for one year and to be discontinued if I do not get through the approaching examination. As the support of a family of 4 members consisting of myself, my wife and 2 children is solely dependant upon my aunt, a daughter of the second Prince of Arcot, in whose house we are now living, I feel ashamed to request her to assist me on this occasion. I am at present 25 years old and may, should it please the Almighty God, pass the above examination.

For this act of kindness, I shall, as in duty bound, ever pray for your Excellency's long life and prosperity —

I most humbly and respectfully beg to remain
Your Excellency's
Most Obedient Servant
Muhammad Munawar

Great Grand son of H. H. the late Nawab Azam Jah of the Carnatic

19/12/98 As the Scholarship applied for is a special one, not covered by the terms of G.O. 315 ED. d. 23 May. 96 (Hay P.) or by any other G.O., it is submitted that it is for the Govt. to decide the case. If it is considered necessary, it is suggested that the D.P.I. might be asked for remarks. A.L.B. 15/2/99
