REVENUE BOARD OFFICE
MADRAS.

Proceedings of the Board of Revenue

(Separate Revenue),

Dated 26th December 1897.

No. 5698, Mois.

Resolution

With reference to the Notification regarding the tests prescribed for officers of the Salt and Abkari Department printed on page 238 of Part I-B of the Fort Saint George Gazette dated 27th April 1897, the Board beg to bring to the notice of Government the desirability of altering the wording of the first of the notes printed in Column 3 thereof. Under the rules in force in the Department prior to the issue of the Public Service

Notification

Notifications, Inspectors were required to pass Test E in the language of the District in which they were employed at the first opportunity after sixteen months' Service, and in a second language at the first opportunity after two years Service from the date of passing in the first language, provided that not less than twelve months of the interval had been passed in Employment in a district of which the Second language was a vernacular. As regards Assistant Inspectors, who had to pass in one vernacular, they were not required to pass it until they had been continuously employed for twelve months in a district where that vernacular was a spoken. The Notification

now

now in force does not, however, prescribe any period of time within which the passing of Test E by the classes of officers is compulsory and the first of the notes printed on Column 3 of the Notification Concerning the Salt and Abkari Department would seem to have reference only to Sub Inspectors of the first three grades and ministerial officers on receipt of a salary of Rs 50 and upwards. It, however, it is likely that Government intended that that note should apply to Inspectors and Assistant Inspectors as well and as the Board has been interpreting it in that sense hitherto, the Board considers that the meaning would be clearer and the note more useful if it be recast as under :—

"Inspectors

"Inspectors, Assistant Inspectors, Sub Inspectors of the first three grades and ministerial officers on receipt of salaries of Rs 50 and upwards shall not be required to appear for Test E in any vernacular until they have been continuously employed for twelve months in districts where that vernacular is spoken."

2. The Board also takes the opportunity to suggest that, to avoid confusion, the following may be substituted for the last remarks in Col 3 of page 247 of the Gazette above referred to

"In two vernaculars, one of which must be Tamil or Telugu and the other not Hindustani".

*"It must be passed in two vernaculars, one of which must be Tamil or Telugu and the other not Hindustani".

The marginally noted Sentence, under "Test E Linguistic" on page 243 of the Gazette which is out of place, implying as it does that others than Inspectors have to pass in two vernaculars, may then be omitted.

3. If these proposals are approved, it is requested that the Commissioner for Government Examinations may be instructed to embody them in the Public Service Notification that will be published in 1898.
