For Orders

This is an application for exemption of a pressman (nominally but actually a Compositor) to be appointed a compositor on Rs 15.

In G.O. no. 534 Ed & 17th May Sept. 97, the Govt has ~~refused~~ exempted all Compositors in the Govt Press from the examn rules. It is for orders whether the same concession should not be extended to District Presses where the need for it is apparently greater.

19/1/98 The Coll. of Godavari requests the one A. Ranjayya who is nominally a pressman but actually a compositor in the Godavari Press may be exempted from Examn rules so as to be eligible for a Rs 15 appointment

The Bd's recommendation should be accepted if the Govt may perhaps be pleased to sanction the exemption asked for by the Collr.

I doubt whether this question need be raised. Para. 5 of G.O. 534 of 17 Sept. 97 clearly shows that a separate Course of study is prescribed for Compositors in Govt Presses. If this letter shows that a separate Course of study is prescribed for Compositors in Govt Presses, I would suggest that the Collector be informed that the Rule cannot be relaxed in favour of Ranjayya. SUBJECT

Submitting to Government for orders letter from the Collector of Godavari, requesting that A. Ranjayya, Pressman on Rs 12 ~~15~~ may be exempted from Examination rules to enable him to hold the post of Compositor on Rs. 15.

Exemption is refused Ranyappa must retire or do Pressman's work. The Coll: reports him to be physically unfit. He has been in Service since 1869 & has done Compositor's work all the time. When he was appointed Nominal Pressman in '87 there were no Exam: Rules in force & he was not expected that he would eventually get a P. R. post as Compositor on the retirement of a Senior Pressman who will retire on 1st April 98. The Coll: recommends that in the circumstances Exemption should be granted. It is submitted that the Coll's recommendation may be accepted.

As suggested in the office Note, it is submitted as a point for consideration with reference to para 3 of the Collr's letter whether Compositors for D. Presses should not be Exempted from the operation of the Exam: Rules altogether, in the same way as Compositors at the Govt. Press. The remarks of the Superintendent of the Govt. Press in paras 7 & 11 of his letter d. 18. June. 97. no 2669. (Flag) seem equally applicable to D. Presses.

The exemption may be granted in this particular case, but I don't see my way to passing a general order of exemption. The order on this Madras Press was passed on the ground that trained Compositors could not be obtained for Compositors Places in the Town of Madras, & that this Press had to be conducted on Commercial principles but District Presses are not conducted on Commercial principles, & it may be easier to get trained men for Compositors (Lower pay rates Rs 50) in the districts than in Madras. FROM

COLLECTOR,

To
THE Secretary to the Commissioners of
Land Revenue,
Madras.

SIR,

G. Ramasseeyya, a Compositor on Rs 15 in the Collectorate Press of this District, whose retention in Service up to 1st April 1898 was sanctioned in Government order Mis No 1258 Rev 5-3-1897 communicated in Boards Proceedings No 925 Mis Land Revenue, 12-3-1897, has been ordered by me to retire from Service with effect from the aforesaid date; in consequence of this I am obliged to request the Board to obtain for A. Ranyappa, Pressman on Rs 12, exemption from the Examination rules for the reasons detailed below: —

2. A. Ranyappa, as his Service register (enclosed) shows, was first entered Compositor on Rs 10 so far back as 1st June 1869 and has since then been doing the work of a Compositor ever though on the 16th February 1881 he was appointed Pressman on Rs 12/- per

G. Ramaswamy reverted to his para 1 supra, who was then promoted to the post of Compositor on Rs 15. Ramaswamy's promotion was not followed by any change in his work as he is not able to compose and is fit only for Reserve's work; he was therefore allowed to continue to do Reserve's work while A. Rangayya continued to do Compositor's work, the latter being physically incapable of doing Reserve's work. As no examination rules were in force at the time of making these appointments Rangayya accepted the situation as he was led to believe that he would get Ramaswamy's place where he retired. Examinations having in the meantime been prescribed he cannot now get the place unless exempted. Hence my application in his behalf. If he should not be exempted Rangayya will either have to do Reserve's duties or retire. The former case need not be considered as he is physically unable to do the Reserve's work and has never in his life done it. In the latter case he will have a grievance as he accepted the Reserve's post in the hope of getting Ramaswamy's place when it fell vacant. The Examination rules in regard to Press Servants were ordered to be brought into force with effect from 1st July 1897 (Vide para 3(11) of the Public Service Notification printed on pages 267 to 282 of the Fort St George gazette dated 4-5-1897), but this date was announced long after a recommendation was made for the retention of G. Ramaswamy in Service (Vide my letter No 32/ccc of 1897 dated 18-2-1897 disposed of in the Board's Proceedings referred to in para 1 supra). Otherwise I should have retired Ramaswamy last year and promoted Rangayya.

(X) This applies to Compositors in the Govt Press, not to Compositors in the District Presses. I have also paid ? 3191 to Lawrence Asylum from Almanac Fund

3. Again it is not easy to secure a passed candidate, i.e., a matriculate who has undergone the test to take the place of G. Ramaswamy as passed candidates prefer the work of Clerks to that of Compositors. Last year I published an advertisement in the District Gazette inviting applications from passed candidates for the vacancies in the Press Branch, but not one application has been received.

4. In these circumstances I have the honour to request that the Board will be pleased to obtain for A. Rangayya
