Whether the grant may be sanctioned! It appears that two of the three schools for which the building is intended are yet to be opened - vide para 2 of the current.

Have we money enough to pay the half grant this year? Has not the D.S. been instructed to submit with each statement a report as to how much of the budget allotment is already appropriated. Will the building be completed this year? Under para (2) the grant cannot be paid till it is certified that it has been earned out.

1. A high school for European girls.
2. A training school for mistresses.
3. An orphanage for European girls.

I have the honour to submit ^{a plan} with estimates for the construction of a building at Waltair which is to accommodate the marginally noted schools and to recommend a grant of Rs. 12000 in round numbers. This amount is a little less than a third of Rs. 37730, the cost estimated by the Superintending Engineer for the portion of the building to be used for school purposes.

2. The High School now known as the Fort Catholic Girls' School, Vizagapatam, will be

removed to Waltair soon after the building is ready for occupation. The other two institutions for which accommodation is provided in the new building, viz a training school for mistresses and an orphanage for European girls, are both intended to supply a real want in the locality.

3. If the grant is sanctioned, a moiety may be ^{paid} during 1897-98 and the balance in 1898-99 and after the training school and orphanage have been recognized.
