Sec, (with copy of list sent by A.G.)

I am directed to report the following case for the favourable consideration and orders of the Govt of India.

2. The reorganization scheme of the Educational services was introduced in this Presidency with effect from the 1<sup>st</sup> Jan'y 1897 but the constitution of the Provincial Educational service which involved the fixing of the position of a number of deserving officers of Govt was not notified till the 27<sup>th</sup> Aug 1897. In consequence, the officers shown in the enclosed list whose permanent or sub-pro-tem pay under the old scheme was higher than that assigned to them in the reorganization overdrawn as pay, from the 1<sup>st</sup> Jan'y to the 31<sup>st</sup> Aug 1897, the amounts noted against their names. The A.G. has challenged these payments and has reported them for orders with reference to the Presl.

3. In view of the principle, which has been recognized in the reorganization scheme, that existing incumbents, whether belonging to the Graded or Provincial Service, should not suffer a loss of pay and of the fact that when these excess amounts were drawn the officers were clearly entitled to them with reference to the appointments they then held H.C. the S. in C. considers that no recovery of the amounts should be effected from any of the officers. He has accordingly directed the A.G. to write off the overpayments made six months before the date on which they were challenged and in respect of the amounts paid within six months of the date of A.G.'s objection, I am to request that the S. in C. will be pleased to authorize the amounts being similarly written off the accounts.
