SIR,

Enclosures.

I have the honor to request that the sanction of Government may be obtained for the exemption of D.S. Rayavarandra New, a large clerk on Rs 12 in the Chingleput District from passing the Upper Secondary Examination of the Government Examinations or the Matriculation Examination with the Handwriting Test in order that he may be appointed as a Forester in the executive line.

2. D.S. Rayavarandra New though a large clerk has been doing the duties of the tour clerk to the Chingleput District Forest Officer since September 1894 and is reported to have done good work. He possesses active habits and

his experience with accounts and forest work generally will make him a good Forester. The present District Forest Officer recommends him for the exemption and I strongly support him as experienced men are generally difficult to be had for the Subordinate Service. Raghavandra Rao has passed the Middle School Examination in the 2nd Class and is tolerably well acquainted with the English language. He is now 24 years and 4 months old.

I have the honor to be

Yours most obedient servant,

W. P. Popert
