I don't think exemption can be granted in this case. Mr. Laminis is strong in favor of awarding now. I know Mr. Laminis is a person known to me. I know Mr. Laminis is a person known to me.

Note. There are many clerks who are similarly circumstanced. The case seems to be exactly parallel to that of Ananda Rao, and the exemption of a clerk from Examin. there seems to be no reason why exemption should be granted in the one case and not in the other.

SUBJECT.

Transferring a letter from the Executive Engineer, Godavari Western Division (Flag) and the exemption of a clerk from Examin. rules, together with endorsement from the Superintending Engineer 1st Circle in the one case and not in the other.

For this order. I can't do it. It seems an awkward precedent. There are thousands of clerks in the Res. Dept. who have done excellent work, but whom no one thinks it possible to recommend.

To The Sup^r Engineer

It is proposed to appoint this man as Clerk to the Rajahmundry Salt Divⁿ. in preference to one of the passed Candidates, none of whom have had any experience of D. P. & accounts, he knows English well and writes a good hand - and has had 5 years experience as a Petty Establish^t Writer from which post he was reduced in August last.

To The Sup^r Engineer
1st Circle

Regrets that when manuscript no. 722 was written the fact was forgotten that S Janardanam was one of the reduced petty Clerks. he is far superior man to the general run of such Clerks and it is believed that he would make a much better Clerk for the Rajahmundry Salt Division than a new man who would for some time to come, be altogether unacquainted with the work. If this view be acquiesced in - has the honor to request that sanction may be obtained to this man's employment. Two other similarly situated Clerks are now employed in the Eastern & Western Divisions

To the Sup^r Engrs

Sir,

With reference to your Endost No 954
(returned) I have the honor to submit herewith
Janardanam's Service Register from which
it will be seen that his age now is 27-6-2
this was not reported before it not being
thought necessary as he is one of the reduced
members of the Petty Establishment. A letter
from Janardanam on this subject is also
submitted -

With reference to para 2 of your Endost
under notice I can only state that I consider
Janardanam a far superior & smarter
man than G. Sundaram, the latter is much
older (40 years age). From Janardanam's
letter you can form a fair idea of his
Capabilities at all events, in this line.
G. Sundaram has recently been appointed
licensing clerk in the Western Division. He
can read & write English fairly & will do
very well for that post but as already
mentioned I think the other man much
better qualified from Capabilities and
experience to be Sub Divisional Clerk
so I trust you will recommend his
appointment -

The humble application
of S. Janardannam Clerk 5th Class
1st grade in the Eastern Sub-Division

No 873 R.
Forwarded to the Ex. Engr.
for favorable consideration.

The applicant has had a
long roll of service. He is
a capital Sub-Divisional
Clerk & deserves encouragement.
He is a good writer & a fair
accountant. His testimonials
show sufficiently well - commended by your honor
of his capabilities. His
request is reasonable &
can be granted, as it is.
Similar to that of Clerk
Andanda Row.

Most respectfully sheweth.

I first entered the service
in 1870 as Quarry Gymastah at
Dowlaiswarum and was afterwards
entertained as Petty Establish-
ment writer in the permanent
Establishment in the year 1875.
In the year 1882 I was re-
commended by your honor
to the Sup^y Engineer for the
Pajammundry Sub Division
Clerk's place on 20 to 30 Rs.
as I had better experience
than most others. As I did
not succeed in that attempt

P. Rayanayakulu
Sub-Divisional Officer
20/10/97
I was transferred to the Godavari
Western Division as a Clerk
on Rs 15 to 20 and I have
been for several years as a
Sub-Divisional head Clerk under
several officers viz B. H. Young
Esq. W. C. Lewis Esq. J. S. Wilson Esq.
& Mr. G. Kulkarni Pambur.

and as a 2^d Clerk in the Sub
Divisions under H. S. Taylor Esqr
W. B. deWinton Esqr in the H. S. Taylor
D. Marshall Esqr & Mr. S. Venka
- taranamayya Pantulu &c -

I have been working satisfactorily
ever since I entered the Dept.
for the last 27 years. Some of
the testimonials are enclosed
I beg to enclose herewith the
Copies of recommendatory
letters of your honor to the
then Sup^y Engineer for kind
perusal. As I had work
in the office and have been
always a Camp Clerk with
the Sub Divisional Officers
I had no time to study for
any examination. I therefore
humbly request that you will
be kind enough to recommend
me for exemption from passing
the required test for promotion
to my next grade, so that
it may be useful to me
in my older days both as a
help to protect my present
large family and as con-
tributing to a little increase
in the pension after I
retire.

I hear that S. Anandaram
a fellow Clerk of my
grade in the Eastern Division
has

has been given a similar
Concession by your honor
and request to be kind enough
to help me also as my case
is exactly parallel to his
both in total service, age
& special service as Sub
Divisional Clerk.

I beg in conclusion that
your honor will be pleased
to do the need full during
your honors administration
for which I shall in duty
pray for ever.

I beg to remain
Honored Sir

Your most obedient serv^t

-tion, an application from S.
Janardanam clerk B V class 1st grade
for exemption from passing the
requisite examination for promotion
to his next higher grade 20-2-30

exempted by Government from
passing the Examination and con-
-sequently appointed to a clerk's
post of Rs 20-2-30 in this Division
3 Having newly taken over charge of the
Division, I cannot express any opinion
of his capabilities but as Mr.
