From

EDGAR THURSTON, Esq.,
SUPERINTENDENT,
Government Museum,
Madras,

To

*The Secretary to Government,
Local and Municipal Department.*

SIR,

I have received from the collector of Malabar news that the skeleton of a whale, which was washed ashore at Lottyan, and is now deposited in the taluk office at that place, has been advertised for sale by auction, for manuring purposes on the 10th instant.

I therefore, have the honour to report that, as the skeleton may prove to be of great value for the Museum, I am deputed the 2nd Taxidermist to examine the whale at Lottyan, and, if necessary, acquire it, or such parts of it as may be necessary for the Museum; and further to examine

the fragments of the skeleton of a whale,
which was recently washed ashore at Badagara
near Calicut.

I further have the honour to request
that the Collector of Malabar be asked
to arrange that such parts of the skeleton
of the Lakkym whale as the Taxidermist
may consider necessary, may be set apart
for the Museum, and not put up to auction.

I have the honour to be,

Sir,

Your most obedient servant,

J. de la Hailand
