OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION,
Madras, ¹² November 1897.

No. 12254-

From

THE HONOURABLE MR. D. DUNCAN, M.A., D.Sc. LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

The Secretary to Government,

Educational Department.

SIR,

I have the honour to state that the friends and ex-students of Mr. W. R. Robertson, late Principal, College of Agriculture, Saidpaet, being desirous of perpetuating his memory have raised by subscription Rs. 2287-14-2, part of which was spent on a portrait of Mr. Robertson. It is now proposed to invest the remainder viz: Rs. 1743-2-3 and to found a prize to be styled "The Robertson Prize", to be awarded to the student of the College who, at the end of his three years' course, stands highest at the examination in agriculture advanced. I request that Government will be pleased to sanction towards the endowment a half grant Rs. 871, under Chapter ¹⁸ of the Grant-in-Aid Code.

2. The amount of subscriptions together with the Provincial grant will be remitted to the Accountant General for investment in Government securities, the Principal and the First Assistant of the College, for the time being, being appointed trustees of the endowment. A draft of the rules will be submitted for approval on receipt of sanction of Government grant.

3. The grant, if sanctioned, will have to be paid next year, the current year's budget allotment under "Furniture and other special grants" having already been exceeded.

4. In this connection I beg to invite the attention of Government to paragraph 3 of my letter No 5263 dated 14th May

1897 read in G.O.No 337, Educational, dated 16th June 1897,
regarding the fixing of a maximum grant towards prize
endowments.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

Referring to your Pro No ¹²⁵¹⁰/_{13. 11. 97}, I have the honor to request the favour of your taking steps towards expediting orders on my letter No ⁷⁸⁵/_{13. 9. 97}. There are two reasons why the Committee of the Robertson Memorial is anxious that the money, now in hand, should be invested as soon as possible, first, because Government 3% paper is at present very cheap (about 91), and second, because the money, now lying at the Bank of Madras, is bearing no interest.

I have the honor to be,
