SIR,

I have the honour to submit application for sick leave on the prescribed form which was sent to me from your office.

I had hoped to take over charge last Wednesday the 5th and accordingly submitted the certificate of fitness with a Demi-official letter, but as this I find was not the correct way of submitting the application and as thereby a delay has been caused I beg that orders be now passed for me to take over charge at the earliest possible day.

I have the honour to be,

Mr. E. Holder returned to duty from 3
months' privilege leave in the fore-noon
of 11 September 1897 and was again
absent from duty from 29 November 1897
to 11 January 1898. He requests that this
period may be treated as leave
on medical certificate under article
369 Civil Service Regulations. Should
the Government consider that there
was no deliberative or intentional
evasion of the rule in the part of the
Applicant in having availed himself
of leave on medical certificate within
3 months from the date of his return
from privilege leave, then he may on
production of the medical Board's
Certificate be considered to have
been on leave on medical Certificate
for the above period under article
369 Civil Service Regulations.

Under art 694 of the C.S.R.
a certificate from the Medical
Board should be submitted
in support of the leave applied
for. The certificate submitted
by Mr. Holder is the admission
and discharge certificate of the
General Hospital and a further
certificate from the Surgeon, Third
District, pronouncing him to be fit
for duty. Mr. Holder's case
is a special one and it seems
impracticable to insist at this
stage on the production of a
