(LAND REVENUE.)

Read letter from the Conservator of Forests, Central Circle, dated 17th February 1898, R.C.No.2114 of 97-98.

Reference No.80, dated 28th February 1898.

Submitted to Government with the recommendation that T.Ramachandra Rao, Acting Tour Clerk of the Conservator of Forests, Central Circle, may be exempted permanently from passing the Translation Test, Lower Grade, in so far as his present - appointment is concerned.

2 In G.O.No 354 Educational, dated 15th May 1896, ^{Ramachandra} Rao was temporarily exempted from the Test in question until the results of the examination in October 1896 were known. The clerk having failed in this examination the Government was pleased to extend the period of exemption until the publication of the results of the examination held in October 1897. (Vide G.O.Educational, R.No 103, dated 9th October 1897). The Conservator now reports that the clerk has again been unsuccessful and strongly recommends that he may be either totally exempted from passing the Test or - exempted in so far as his appointment as tour clerk is concerned

3 ^{Ramachandra} Rao has had about 15 years' service, has done good work as tour clerk on various occasions since 1889 and has held this position continuously since April 1896. The Translation Test was prescribed for this post in January 1896 and ^{Ramachandra} Rao was therefore required to pass the examination before he could be confirmed. This he has failed to do, but Mr. Popert urges that his failure should

should not be allowed to disqualify him from holding a post for which he has shown himself to be specially fitted. The clerk possesses a colloquial knowledge of Tamil, Telugu, Canarese, and Mahratti, and Mr. Poper speaks very highly of his work. Moreover the Conservator is constantly on tour and has kept the clerk away from head-quarters for no less than 236 days since April 1, 1897, so that he has not been given much opportunity for study.

4 The Board submits that in these circumstances a special concession may be granted to ^{Lauachudra} Rao in regard to this ~~particular~~ appointment for which it is reported to be hard to find a suitable substitute. The duties of the post involve constant touring in localities which are often the reverse of healthy, and good physique is required as ~~well~~ ^{Lauachudra} as good educational attainments. ^R Rao has shown by his service of many years in this capacity that he possesses the necessary qualifications.
