SIR,

With reference to memorandum No 665 Educational dated 12th instant, I have the honour to give below the amount of fee due to each of the officers concerned. In the case of some of the officers, the necessary information is not available and has been called for. As, in the case of fees for the University Examinations, the local Government is competent to sanction the acceptance of any remuneration above Rs. 100, I thought it was not necessary to specify the exact or even the approximate fee so long as it was above that figure.
