PUBLIC INSTRUCTION,

Madras, 23 March 1898

No. 3393.

From

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

As the Commissioner for Government Examinations has informed me that out of the six Madras-Burma Medical Candidates required to be selected this year, only two with the requisite educational qualifications have applied for the ensuing competitive examination, I requested the Surgeon General with the Government of Madras to move Government to relax the examination restriction in favour of these candidates while applying for the grant of a similar concession to Native Military candidates. Surgeon Major General Sibthorpe now informs me that the sanction of Government has already been accorded to throwing open the competition this year for the Native Military pupil grade to candidates who have passed the Middle School or the Lower Secondary Examination. I beg therefore to request that the concession be extended to Madras-Burma Medical candidates in view to securing a larger number of candidates for the competition.

2. As the entrance examination has been fixed for the 2nd May 1898 and as the latest date for the submission of applications will expire on the 31st instant, I have in anticipation of sanction asked the Commissioner for Government Examinations to accept applications from candidates who have passed the Middle School or the Lower Secondary Examination.

I have the honour to be,
Sir,
Your most obedient servant
