Read the following paper:-

From the Collector of North Arcot, C.No.62/Bd.& Govt.of 98
dated 5th March 1898:-
(True Extract)

Hashim Bee, mustering woman on Rs.9 per mensem, attached to this office for the examination of those political pensioners who are gosha ladies and who are prohibited by religion from appearing in public, vide G.O.No.726, Financial, dated 11th August 1891 having died on 22nd November 1897 her daughter ~~Hamida~~ ^{Hamida} Bee was appointed for the place by my predecessor on 16th December 1897. According to the certificate of health, age and vaccination granted to her by the Medical Officer, Vellore, on the 18th January 1898 she is 30 years old. I doubt whether her case is affected by the operation of the 25 years rule in Article 63 of the Civil Service Regulations. I also require doubt whether the recent public service notification regarding that candidates appointed after 1st January 1897 should have passed at least the Primary Examination or some equivalent Examination applies to the appointment in question.
2. If these restrictions apply to this appointment I have the honour to request that she may be exempted from the operation of the above rules. The appointment is a peculiar one and it is difficult to get either a passed candidate or a young candidate of sufficient responsibility.
3. I solicit the favour of early orders in the matter.
