I beg that you will be pleased to obtain at an early date the renewed sanction of Government for the continuance in this School from January 1st 98 of the reduced rate of fees sanctioned for it in G. O. No 142 dated 12th March 96 Communicated to me in your Dis No 431 of 96 dated 11.4.96 and Dis. on C. No 1360 of 96 dated 26.4.96, as the concession already granted in the above G.O. will cease with the 31st Instant, and as the circumstances under which the concession was granted continue now. I further beg, as it will be a long time before the sanction of Government can be received, that you will be pleased to favor me with your orders at an early date to keep the School open after the Christmas vacation charging the present reduced rate of fees, pending renewed sanction of Government as I cannot, on my own

responsibility, do so.

I beg to remain,
Sir,

Your most obedient servant,

Sd/E. Jaganmasham
Headmaster.

From

V. A. Bradie Esquire,
Government agent,
Godavari District,

To

The Director of Public
Instruction, Madras.

Sir, In forwarding herewith
copy of a letter received from
the Head Master Bhadrachalam
School and its enclosure,
I have the honor to request
you to be good enough to
obtain the sanction of
Government to continue the
present rate of fees for a
further period of 3 years and
wire the same to me on or
before the 10th Proximo in order
to enable me to communicate
the same to the Head Master

by the date the school reopens after the Christmas holidays.

2. The school is now in a very flourishing condition there being 99 boys on the rolls but as most of them are the children of very poor parents and none of wealthy men if the fees are raised at all there must inevitably be a large falling off in strength and if they are raised by 25 per cent I fancy the attendance will promptly fall by more than that figure.

3. I need not say that Bhadrachalam Taluk is not merely a backward locality but an exceptionally backward locality. In consideration of this fact and the fact that the school is now in a more flourishing

condition than it ever was before I beg to press for the continuance of the existing favourable rate of fees for a further period of 3 years up to 31st December 1900 when it should be possible to raise them by 25 per cent without much hardship perhaps. Just now would be an unfortunate time to select for raising them for all have suffered recently from the late agricultural distress and high prices.

I have the honor to be

Sir

Yours most obedt servant
