GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From Lieut.-Colonel C. C. RAWSON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepāk, 21st July 1897, No. 264 W.

I have the honour to submit, for favour of orders, copy of letter No. 501 S.E., dated 30th June 1897, from the Executive Engineer, South Arcot, suggesting that Government be moved to leave the matter of the appointment of lascars and peons in the hands of Executive Engineers who appear to have very great difficulty in getting men. I have no doubt whatever that this is chiefly owing to the low pay of Public Works Department peons as compared with that of peons in other departments.

ENCLOSURE.

From A. H. GARRETT, Esq., Executive Engineer, South Arcot Division, to the Superintending Engineer, V Circle, dated Camp, Cuddalore, 30th June 1897, No. 501 S.E.

With reference to your No. 59 G-C., dated the 7th May 1897, and in continuation of this office No. 461 S.E., dated the 7th June 1897, I have the honour to forward copies of letters from the officers in charge of pensioners, Tanjore and Vellore, who state that no pensioners are willing to serve as lascars.

2. The Examiner is taking objection to the appointment of even acting men for short periods, and to be applying for sanction in every case would involve a great deal of unnecessary trouble and inconvenience to all the offices concerned.

3. I beg, therefore, to suggest that Government may be moved to leave the matter into the hands of heads of offices, who may be relied on to give preference to men who have passed the prescribed examination.

OFFICIAL MEMORANDUM No. 1793.

In his letter No. 264 W., dated 21st July 1897, the Superintending Engineer, V Circle, states that the very great difficulty experienced in procuring passed men for the appointment of lascars and peons in the Public Works Department is chiefly owing to the low pay of the Public Works Department peons as compared with that of other departments. With reference to this, the Public Works Department is requested to be good enough to state the rates of pay of the peons in that department as compared with those in force in other departments.

Ag. Secretary to Government.

MEMORANDUM No. 1745-C.

With reference to memorandum from the Educational Department, No. 1793, dated 26th August 1897, and subsequent reminders, the undersigned has the honour to state that proposals are now being submitted to Government, which, if sanctioned, will considerably improve the position of peons employed in the Public Works Department. It is requested, therefore, that the application made in letter from the Superintending Engineer, V Circle, No. 264 W., dated 21st July 1897, may be allowed to stand for the present.
