Educational Department.

SIR,

I have the honour to bring to the notice of Government that the Committee of the Victoria Technical Institute has failed to fulfil one of the conditions on which Government contributed a sum equal to a moiety of the private subscriptions, viz, that an annual report of the working of the Institute should be submitted to Government through the Director (vide G.O. No 546 Edl. dated 15th September 1888). The last report received and submitted to Government was that for 1894; but those for 1895 and 1896 have not yet been sent, although they have been called for more than once (vide Rule XXIX of the rules appended to the First Annual report of the Committee for 1887).

I have the honour to be,

From Mr. J. H. A. Tremere
 Hon. Secy. Victoria Technical Institute,
 To J. H. A. Tremere
 Secretary to Government.

Sir, In reply to your Memorandum No 466 I enclose,
 I have the honor to state

With regard to the Report of the Institute for 1895
 it is believed copies were forwarded to the Director
 of Public Instruction. If there were any lectural
 omission it is due to the plenitude with which
 the spirit of the condition was carried out & with
 any sinister motive. That Report was prepared
 with a special view to enlighten Government
 & the public on the position of the Institute; &
 it was widely distributed & largely discussed.
 Copies were given to, in addition to this, H.E.
 The Governor, who graciously promised to con-
 sider it with knowledge & sympathy.

With regard to the Report of the Institute for
 1896, it was approved by the Council only in
 Decr. last, owing to the President being too pre-
 occupied with family work to have a Council
 Meeting earlier. As only that for 1895
 copies of both reports are forwarded for your
 information & copies have also been sent to

This is also
 received by

The Director of Public Instruction.

The Report for 1897 will be passed on the 16th
Return of the President, the Hon. Mr. Cole; but
it will not contain anything new, as the
Council expects that it is still without the
reply from Government desiderated in the
two last Reports.

I have the honour to be, Sir,

Your most obedient servant
