Exchange Compensation Allowance.

Referring to certain departments of the Secretariat, for remarks, report from the Accountant-General regarding the eligibility of officers to — under the new rules.

GOVERNMENT OF MADRAS.

FINANCIAL DEPARTMENT.

READ—the following paper:—

From F. C. HARRISON, Esq., Officiating Accountant-General, to the Chief Secretary to Government, dated Fort St. George, 18th November 1897, No. 3595.

With reference to G.O., No. 809, Financial, dated the 30th of September 1897, regarding the eligibility of officers to exchange compensation allowance under the new rules, I have the honour to forward herewith four lists of officers appointed in India (A, B, C and D).

2. In A the point for decision is whether the appointments shown therein are those in which European qualifications are held to be indispensable and whether the incumbents were appointed to the respective appointments as Europeans.

3. In B are shown the services and departments which come under class B of the Government of India Resolution, No. 2422-Ex., dated 31st May 1897, Finance and Commerce Department, and the eligibility of the officers to exchange compensation allowance depends upon the question whether they were appointed as Europeans for the purpose of maintaining the requisite proportion of Europeans. Messrs Gompertz, Lushington and Mullins of the Survey Department shown in this list now hold the appointments of Forest Settlement-officers. As these appointments are not included in the departments in which the proportion of Europeans has been held to be indispensably necessary, I would inquire whether, in the case of officers transferred from departments coming under class A or B of the Government of India Resolution to departments not coming under either of them, exchange compensation allowance should, in the opinion of Government, be continued to them.

4. In C are shown the names of officers who appear to come under Rule V (c) of the Exchange Compensation Allowance Rules under which they will not be entitled to exchange compensation allowance.

5. In D are shown the names of officers who hold appointments which are included in the Provincial Services.

OFFICE OF THE DIRECTOR OF

PUBLIC INSTRUCTION,

Madras, 28 March 1898.

No. 3611-

From

THE HONORABLE MR. D. DUNCAN, M.A., D.S.C., LL.D.,

DIRECTOR OF PUBLIC INSTRUCTION,

Madras,

To

THE SECRETARY TO GOVERNMENT,

Educational DEPARTMENT,

Fort St. George.

SIR,

In returning the endorsement of Government No 2806 Educational dated 21st December 1897, I have the honour to invite the attention of Government to the revised list of officers entitled to exchange compensation allowance submitted with my letter No 3391, dated 23rd March 1898, from which it will be seen that I consider both Mr. Bilderbeck and Mr. Marsden entitled to exchange compensation allowance. Both these officers are Europeans appointed for the purpose of maintaining the requisite proportion of Europeans.

2. As regards the officers shewn in List D of the Accountant General's letter, I beg to state that Sergeants Goddard and Reynolds, who are military officers of the Public Works Department lent to the Educational Department, should have their claims to exchange compensation allowance decided in the Public Works Department. Messrs Hamilton and Perkins were not in the Provincial Educational Service. The former retired from the Educational Service on the 1st January last and the latter severed his connection with this Department on the 15th March 1898.

I have the honour to be,

Sir,

Your most obedient servant,

J. Duncan

Director of Public Instruction.

C. No. 1422 817 4 7 53 798

SUBJECT.

Exchange Compensation Allowance

H.M.

FOR ORDERS.

The A.G. reports that in the cases of the following officers in the Ed. Dept. doubt exists as to their eligibility to draw exchange compensation allowance:-

- 61 Mr. J. B. Bilderbeck Professor. Prin. Coll.
- 62 Mr. E. Marsden Inspector of Schools
- 137 Sergeant W. Goddard Instructor. Col. of Eng.
- 138 " B Reynolds Do
- 140 Mr. Hamilton Asst. Instructor. College
- 141 Mr. Perkins Workshop Instructor Col. of Eng.

The D.P.I. states that Messrs Bilderbeck & Marsden are Europeans appointed for the purpose of maintaining the requisite proportion of Europeans & that they are therefore entitled to exchange compensation allowance.

Sergeants Goddard & Reynolds, the D.P.I. notes, are military officers of the P. W.D. lent to the Ed. Dept.

and they should have their claims to exchange compensatory allowance decided in the P. W. D. Messrs Hamilton & Perkins were not in the Prov. Ed-Service; the former retired from service on the 1st Jan'y last & the latter resigned on the 15th March last.

The Cases of Messrs Bildenbeck & Marsden have therefore to be considered. Mr. Bildenbeck holds one of the three ^{remaining} appointments in the Graded Service which will ultimately be transferred to the Indian Educational Service - that is, he now holds an appointment for which European qualifications are held to be indispensable. Mr. Marsden holds one of the appointments in the Indian Ed-Service for which European qualifications are considered indispensable. To put more correctly, ^{the case} these two officers hold two of the appointments in the Ed Dept which are reserved for Europeans. They ~~may~~ ^{must} therefore be held to have been appointed as Europeans in India for the purpose of maintaining the requisite proportion of Europeans.

The Directors' views may be accepted
