In G.O. no. 688 Ed & 30th Nov.
1897, the D.P.O. was requested to
submit a revised list of offices
in the Ed. dept falling within the
categories

A. Offices in which European quali-
fications are held to be indispensable.

B. Services and depts in which a
proportion of Europeans is held by
the Govt of I. to be indispensable.

Sept. no 2422 en & the 31st May 1897.

The D.P.O. now submits the list.

He brings all offices under the Category A.

The Director's list includes

(1) office of the D.P.O. This is rightly
included. It may be noted that

this post is included in the

done. It is of the highest importance that the head of the Indian

(2) All appointments in the graded and Indian Educational Services.

These do not seem to fall under the Category A. Natives were also appointed to the graded service. Appointments in the graded service therefore fall under the Category B. At present there are only three officers in the graded

Service (Messrs Wilson, Bildersbuck & Bourne) and they will be eligible for the Eu. Com.

allowance if they were appointed "as Europeans" and "for the purpose of maintaining the proportion of Europeans held to be indispensable. vide para 9 of the

Wilson & Bourne were appointed in England & they will be eligible for the allowance under para 3 of the Res.

the question & it has been referred to the

Ed. dept. is divided broadly into the Superior Service and the Sub-ordinate Service. The former consists of two branches, one including all posts to be filled by persons appointed in England, which is called "the Indian Educational Service"; and the other including all posts to be filled by recruitment in India, which is known as the Provincial Educational Service. The Indian Ed. service therefore represents the proportion of appointments reserved for Europeans; it falls under the Category B. It may be noted that a native of India may also be appointed in England to the service - vide para 13 of the G.O. despatch in G.O. no. 480 Ed. & 16.

(3) Principalship, Law College.

This appointment is not included in the Indian Ed. Service & the Rules of the Law College do not say that the Principal, shall be a European. To bring it under the Category A, it should be declared that European qualifications are indispensable for the post. It is submitted that this should be done. It is of the highest importance that the head of the Indian Law College should be a European. It is at least a European and a

(4) Principalship of the Coll of Eng.
This appointment also is not included in the ~~graded~~ Indian Educational Service for which European qualifications are considered necessary.

In para 4 of G.O. no. 328 Ed & 27th May 1886, the Govt has declared that the Principal shall always be an Engineer, Civil or Military. It is not stated that the Principal shall be an European; evidently it is intended. It may be included under Category A.

appointments are held by Upper Subordinates of the P.W.D. who are lent to the Ed. Dept for a term of years. The D.P.D. states that their case will be considered in the P.W.D. It is not known whether if they are considered to fall under A or B in the P.W.D. they can be regarded as such in the Ed. Dept. If their services are lent by the P.W.D. that Dept. will certainly object to their being dealt with except as members of the Dept. ~~by the P.W.D.~~

should not graded come

Indian Education Service
Should also I fancy come

These appointments will ultimately merge in the Indian Ed. Service.

Appointments in the Indian Ed. Service.

These represent the proportion of appointments in the Superior Ed. Service which according to the Govt of I should be held by Europeans.

Two Instructors, College of Eng.

These appointments belong to the Prov. Ed. Service & are held by European officers of the P.W.D. who have been lent to the Ed. Dept for a term of years.

Note.

As regards the Professorship of Dentistry in the Med. College the Secy says that a note should be added that the present incumbent will not be eligible until his five years expire. This note has not been added as personal cases should be held separate from the present question. vide Finl Dept memo 2480 in 22-11-97 Ed. G.O. 688 flag G. 30-11-97

attention is also invited to the remark against the last entry in the list. It has been decided in G.O. no 755 Ed. & 18th December 1897 that the appointments of two instructors in the College of Eng. should be held by European officers of the P.W.D. This decision has been introduced in the remark. The eligibility of the present incumbents for exchange compensation allowance should be decided in the P.W.D. but the question whether two instructorships in the College of Eng. should be held by Europeans should be decided in the Ed. Dept.

Office of Director of Public Instruction

Madras, 13 April 1898

My dear ~~Friend~~ ^{Friend}
 with reference to your
 S. O. of 30th ult regarding
 exchange compensation
 allowance

1. The inclusion of officers
 of the graded service under
 (a).

The graded service con-
 tains only those officers
 who elected not to go over
 to the new Indian service
 It consists of only three
 officers, namely, Wilson,
 Bolderbeck & Bowne. The
 number cannot be in-
 creased, because, as these
 officers retire, the appoint-
 ments will be transferred

to the Indian Service.
There is no native in it
& no native can be appointed to it.

2. The Indian Educational Service has been constituted as a service to be recruited entirely in England, the appointments being made by the Secretary of State. The idea underlying this service is that a certain proportion of Europeans is indispensable to the Indian Service is constituted to supply this indispensable minimum of Europeans. But the Secretary of State may appoint from home persons to hold posts that lie

outside the Indian Service. For example the present incumbent of the Asst. Superintendentship of the School of Arts was appointed by the Secretary of State to the Upper Subordinate, now the Provincial, Service. Such an officer ^{if a European} would come under class B.

The Professor of Dentistry, Mr. Badcock, was omitted with reference to G.O. No 1677 of 14 March 1897 & para V (a) of the Revised rules communicated with G.O. No 4917 of 24 June 1897. Mr. Badcock has not yet completed his five years service under the contract. There is no objection to this Professorship

being included under
(a) with a note that the
present incumbent is not
eligible for the allowance
until the five years have
expired.

Truly yours

D. D. D.
