Note

All the difficulties in connection with the
subject are very fully set out in the letters
forming the Enclosures to the P. W. D. Railway
Branch G.O. 1113 R d. 13th May 1891 (Fig. A)
communicated to the D.P.I. in G.O. 395 Ed. 25.5.91.
The general tenor of the letters is, that the students
must show what they are worth and whether they
are really "qualified" by other than examination
tests for the work of superintending and controlling
labour.
