To
His Excellency the Right Honourable
Sir Arthur Elibank Havelock, G.C.M.G.,
G.C.I.E.,
Governor and President in Council,
Fort St. George.

The humble memorial of Somanatha
Uliya Shama alias Dumappa and
others, members of the Galadkonkani
caste, residing in Mangalore

Dated 24 - September 1897

Most respectfully sheweth,

That your Excellency's
memorialists are members of the abovementioned
Sudra caste which is very backward and which
is daily degenerating owing to poverty and
want of education.

That of the children of their community
less than half a dozen only are going to school,
that one of them is in the third form, another
in the second form and the rest in the infant
standards; that of these too excepting a couple or
so the others are likely to discontinue their
studies before long as their parents are too

poor to pay the fees.

That though very poor and quite uneducated the memorialists' caste has been of use to the Government, because several members thereof have served as soldiers during troublous times.

That their castemen were formerly in affluent circumstances but on account of want of education and the consequent ignorance they deteriorated in every respect day by day and were taken advantage of by better educated and higher classes and that at present with the exception of two or three instances they are not able to carry on any trade or otherwise obtain a decent occupation on account of the utterly illiterate state in which they are.

That Government have been very kind to backward castes and that the Billawars and certain other castes, which contain innumerable members among them infinitely richer and better educated than the castemen of the memorialists, enjoy the privilege of sending their children to school at a reduced rate of fees.

That in these circumstances the memorialists pray that an order may be passed that the children of their castefellows

are not liable to pay any fees while attending school. That the number of children belonging to their caste is very small as the caste itself does not contain a great many persons and that therefore the loss of income to schools on account of the passing of the order herein prayed for will amount to quite a trifle; whereas the concession will be esteemed by the entire community as an indication of Your Excellency's graciousness.

And that for which act of kindness the memorialists shall as in duty bound ever pray.

(Respectfully submitted through the Director of Public Instruction, Madras)
