The following rules relating to the constitution and working of the Teachers' College Hostel are sanctioned by the Director of Public Instruction.

I. Object

The hostel, which is attached to the Teachers' College, is <sup>primarily</sup> intended for the boarding of Smartha Brahman students of the College.

- (i) The hostel shall be under the direct control of the Principal of the College, who shall be its Superintendent,
- (ii) The Superintendent shall be assisted by a committee composed of three Brahman members on the staff of the College selected by the Superintendent from year to year.
- (iii) The Committee shall meet in the first week of each month to pass the accounts of the previous month which, when passed, shall be submitted to the Superintendent,
- (iv) Subject to the approval of the Superintendent, the Committee shall have power to make by-laws for the internal management of the hostel relating to number, character and hours of meals, oil bath, medical attendance, hostel holidays, registers and accounts to be kept, custody of hostel money, audit of hostel accounts, conduct of members while in the hostel and all connected matters.

III. Manager.

- (i) The Superintendent shall appoint a member on the establishment of the College as manager and fix his remuneration from time to time.

inquiries. It has been laid down that the fee for room & rent is 10 annas a month. This should not be refunded though the fee for boarding may.

Rule 12 I don't understand what is meant by the rent of the hostel, as it is a Self building. Each student is to pay 8 annas a month for the accommodation, and there are 38 students. There are also 11 more students. There are also 11 more students. The amount paid for accommodation and be about Rs 210. It seems wrong, therefore to fix it at Rs 15 a month.

ORDER. No 360 of 16-6-98

Of the ~~following~~ rules framed by the D.P.I. for regulating the working of the Teachers' college hostel, ~~the following~~ <sup>the following</sup> seek to require reconsideration:—

Rule VI . . The boarding fee should not be fixed with ~~any~~ reference to the hostel "rent." Provision should apparently be made for fixing it

with reference to ~~the expense of~~ the other two items of expense mentioned in the rule. It has been laid

down that the fee for room-rent is to be 8 as a month; this should not be refunded though the fee for boarding may.

Rule IX . . It is not understood what is meant by the rent of the hostel, which is a Govt. built. In his letter no 2351 of 5<sup>th</sup> March 98 read in L.O. no 180 of 1900

1. stated that the building  
 tended to accommodate 38  
 students, each of whom would pay a  
 rent of 8 annas per mensem for the  
 accommodation provided for him,  
 and that the annual income in  
 the shape of rent would be about  
 Rs 210, assuming that each student  
 was required to pay rent for 11 months.

It seems wrong therefore to fix the  
 rent at Rs 15 a month. It should  
 be so fixed as to be equivalent to  
 8 percent of not less than the  
 capital outlay.

2. The proposal made in para  
 2 of the D.P.I's letter is approved.  
 (from orders)

Note for Secretary  
 The note in question gives 8 1/2% and this  
 is the figure which should have been inserted  
 according to the strict terms of the note.

 cost of the buildings the yearly

Where is the authority  
 for this? Why is it not quoted?

Please see note in G.O. no  
 180 of 30th March 1896. Flag D.  
 It was decided that the rent  
 should be at least 8 percent  
 on the capital outlay.

Flag D. 00 Rs 2880 (2350 + 530)

interest is Rs 206 3/4 at 8%.  
 The total possible rent is Rs 210  
 supposing all rents to be paid regularly  
 and all rooms always full.

flag N As order No. 459 of 4th Aug. 96  
 is based on D.P.I's letter Current  
 flag N.N. No. 692 of 29.5.96 in which it is  
 stated that the highest monthly  
 room-rent that can be collected from the  
 students is 8 as. it must be held  
 that ~~this~~ <sup>an same rental for the rooms</sup> is the basis on which  
 the hotel is to be supported. To ask  
 for 8 1/2% would ~~require~~ <sup>require</sup> a larger  
 amount than Rs 210 a year.

back of M

It may be noted that the Manager's  
 wages cannot possibly come out of the  
 rent and that the yearly or occasional  
 repairs which are contemplated in  
 G.O. No. 180 of 30 March 1896 will  
 certainly have to be provided for separately  
 as there is no margin for them. The hotel  
 being built to paid-for and the room-rent  
 fixed at 8 as. nothing can be done to improve  
 its finances. Rs 15 is by no means too high  
 a salary for the Manager
