Most Respected Sir

I (Clerk & class 1st Grade (15/6/20)) most
humbly represent that I was first entertained
in this Department as clerk & class 1st Grade in
1876 i.e. so far back 22 years and to my
misfortune is left in the same grade up to this
moment simply because I am not a passed
candidate -

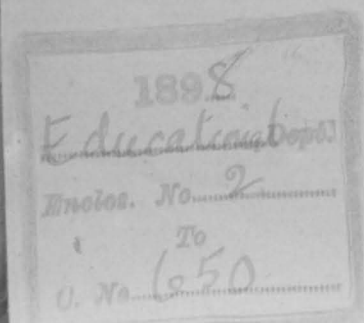

A part from the above difficulty which it
is now too late to rectify by going to school &
studying and passing examinations which is a
hopeless attempt to undertake at this stage of
my life i.e. at the 45 years when the decline of
memory want of means &c for the expense of
a scholar's life are working against any such
idea

I enclose this distinctly
deserving case for exemption.

idea, I most respectfully venture to represent
for your honor's kind consideration that I have
ably managed my work as overseer's clerk for
9 years, Madanapally Sub D^y clerk for 9 years
without any increase of pay worked in the
Divil Office for 3 years during which period I was
even Executive Engineer's (J. C. Johnson Esq.)
Camp clerk for 2 years. Thus I am fully
conversant with the clerical duties of clerks
who by the ^{mere} virtue of being passed men draw
higher pay—

I had even been a temporary ^{1st. G.} Sub overseer
in 1892 & a Second Grade Suboverseer in the
late famine in Karnool Division on pay
higher than I am allowed to draw in the clerical
staff but the want of being a passed can-
didate debar me from advancement.
Govt. have been lately pleased to exempt
from Examination rules several clerks junior
in service to me who after being so exempted
now have superseded me & draw 30 to 40 & 20 to 30

I have very nearly completed my pension
service without any permanent advancement
in the very grade in which I began my service
As

As the very small pension which I may get will
be too insufficient to maintain my self &
family and with a view to enable me to earn
a little higher pension on retirement I most
respectfully venture to approach your honor
with a request that the concession given
to my fellow clerks in the circle may be extended
to my case also and that your honor will be
pleased to exempt me from Examination rules
only up to 30 to 40 grade or at least 20 to 30
Grade clerk in this Department.

For the above act of kindness I shall as
in duty bound ever pray for your honor's long
life and prosperity.

I beg to remain
Sir.

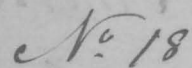

Your most obed^t & humble
Servant.

are the only recommendations for the
favor of being exempted from the

some in the Department. This is
privilege; I recommend, may also

deserves it

In submitting herewith an application from Clerk S.
