Colonial Secretary's Office,

SINGAPORE, 10th June, 1898.

It is requested that the following number be quoted in the reply to this letter.

Medical 2758/98.

Sir,

I am directed by the Officer Administering the Government of the Straits Settlements to inform you that it is proposed, with the permission of the Government of Madras, to send two Student Apothecaries to Madras about the 13th instant, so that they may arrive in time for the opening of the session at the Madras Medical College on the 1st proximo.

2. The names of the Students are A.L. Listerman and Ramachandra Tyer. A.L. Listerman has passed the VIIth Standard of the Government Educational Code, as well as in extra subjects and Ramachandra Tyer has passed the Matriculation Examination of the Madras University in the second class which is considered a superior test to the VIIth Standard. It is presumed that, as in previous cases, the examinations they have passed will be considered as the equivalent of the preliminary examination prescribed in the Notification in the Fort St. George Gazette of the 18th of June 1889, page 906. In connection with this point, I am to refer you to my letter No. 8515/93 of the 4th September 1893.

The Chief Secretary to the
Government of

MADRAS.

3. The Students will be instructed to report themselves, on arrival at Madras, to the Principal of the Madras Medical College, and His Honour will be much obliged, if you will be good enough to issue the necessary instructions for the payment of their salaries and fees, which can be debited to this Government in its account with the Government of India.

4. Their salaries, commencing from the 1st proximo, will be at the same rate as in former cases namely:-

1st year	Rs.41 per mensem.
2nd year	Rs.46 ----do----
3rd and 4th years	Rs.51 ----do----

I have the honour to be,

Sir,

Your obedient servant,

C. L. Apper

Acting Colonial Secretary, S.S.

P.S.

Owing to an alteration in the date of departure of steamers for Madras, these Students cannot leave until the 23rd instant. It is hoped that this will not prevent them entering on their studies on arrival.
