 To His Excellency
 The Governor of
 Fort Saint George
 in Council.
 The humble memorial of V. Venugopal Naide
 a candidate for the Madras-Burma Hospital
 Asst. (Lyl No. 16 Tanjore centre) and a student
 in the Hygiene Class, Technical School at
 Pudukota, Trichinopoly District.
 My gracious Lord,
 I the humble memorialist with
 profound submission beg of your Excellency
 to bring the following lines into your
 Excellency's benign and mature consideration
 I belong to a respectable lineage tracing its
 origin from the Nayak Kings of Southern
 and which served the British for generations
 with high martial spirit, under the designation
 of Subaidhars, and Pollock Subaidhars. My
 father also was a Native Commissioned Officer
 of the 12th Regiment 8th Company of the Madras
 Native Infantry. He died an early death
 exposing me to misfortunes earlier. I as an
 orphan, and free-scholar of the Pudukota College
 passed the Middle School Examination and stud-
 ed up to the VI class at the face of many trou-
 bles and disasters.
 After discontinuing my studies owing to
 a weak support, I am studying as a stipendia
 student of the Technical School of Pudukota and
 have appeared this year for Hygiene and Physiology
 Examinations

Hearing that 6 candidates are going to be selected for the Burma Hospital Asst, I have also appeared for the Entrance Examination held on the 2nd May last.

As the number of candidates appeared for the Examination is enormous and the selection is only 6 candidates, I have a faint hope of my success in the Examination. So through petitions, I request the Commissioner for Govt. Examinations, and the honorable Surgeon General, showing my claims, above referred as an offspring of the British Infantry, to select me one in the first 6 successful candidates: and the hon. Surgeon General endorsed me, that it is impossible to grant my request.

Whether the mercy and lenient view shown to the Mahammadans, in regard to the selection of the 6 Mahammadan candidates out of 20 candidates that are to be selected for the Madras Civil Hospital Asst, may not be shown to a surviving member of a family that has served the British Battalions for generations and perished its adherents most unflinchingly to the cause of Britannia, is much to be pitied and regretted: and ever strict law presents charity.

So, in case of my falling back in competition to be one in the 6 candidates liable to be selected for the Burma Hospital Asst, I humbly beg of your Excellency in council, to select me at any rate, one in the list of successful candidates, taking to consideration my claims as an offspring of a Martial lineage, and the patronage and favor which the Government is bound to show upon a surviving member of a veteran race.

13th June 1898

Budakota

I beg to remain

My gracious Lord

Your Excellency's most humble servant
V. Venugopal Naidu
