THE SECRETARY TO GOVERNMENT,

~~Educational~~ DEPARTMENT,

Fort St. George.

SIR,

In continuation of my letter No F.160 dated 27th June 1898, I have the honour to submit a statement shewing, with reference to the Government of India letter, Home Department No 7 Educational/185, dated 28th March 1895, the percentages therein called for in regard to Groups I and II and IV to VI of the districts in the Presidency. Corresponding figures for the Central Districts and for girls under instructions ^{in public institutions}, have been furnished in the statements that accompanied my letters Nos. F/43 dated 7th May 1898 and F/160 quoted above.

2. The above figures should have been embodied in the last quinquennial report, on Public Instruction. The omission is due to an oversight which I very much regret.

I have the honour to be,

Sir,

Your most obedient servant,

NOTE FOR THE SECRETARY.

The ~~the~~ D.P.I. in his ^{his} speaks of percentages of ^{girls} under instruction in public institutions in each dist. and states that they are not available. Of course figures for each district are not available but the total no of girls under instruction in public institutions in all the districts on the 31st March 1892 is available. The no is 93905 - vide statement at p 11 of the Public Instr. Report for 1896-97 and at p of the report for 1891-92. The Govt of India calls for a statement showing the number of girls in public institutions on the 31st March. Thinking that the Govt of I. may require only the total no of girls in public institutions a statement has been added.
