Simla, the 27th May 1898.

SIR,

In continuation of my letter No. 19-10-24, dated the 21st June 1895, I am directed to say that the Trustees of the Indian Museum, Calcutta, have recently pointed out that in many instances examples of articles described in provincial monographs on industrial subjects are not in the possession of the Museum, and they propose, therefore, to address Local Governments and Administrations with a view to acquiring, either as a donation or by purchase, specimens of articles referred to in Industrial monographs but not represented in the Indian Museum.

2. I am to say that the Government of India regard it as very desirable that the collections in the Museum should represent as completely as possible the industries of India; and I am to request that, *with the permission of the Governor in Council*, any such assistance in this matter may be afforded to the Trustees as is practicable. The Trustees suggest that it might be convenient to place them in direct communication with the authors of the monographs referred to; and this suggestion is for the consideration of the Local Government.

I have the honour to be,

SIR,

Your most obedient Servant,

Brugha N. Mahan
