The file letter shows that the has not passed the matriculation (on 11th exam for women - presumably) The basis her application for exemption on the fact that she is a Brahmin by caste. and I think in this special case it will be well to admit her. Especially as the Council as a private pupil.

Madras

Most Respected Sir,

I beg to state that having heard from Dr. Browning that I am not to get a Scholarship this year to enable me to study for the Apothecary's grade as better qualified women have applied, I beg you would kindly get me exempted from the required examination so that I may study as a private student this year. I have passed my middle school examination & I continued my studies for matriculation for 9 months privately & 3 months in the school of Convent of Good Shepherd Bangalore. Certificate from the school is with Dr. Browning.

Late Mr Ritchie was kind enough to
get me exempted and offer me a
Duffin Scholarship of Rs 20 in the year
1891. But then I was not able to join
the College. Now in 1st of July I wish
to join. Since I am the only Bramin
(High Caste Bramin) girl who desires
to take up the medical studies I sincerely
hope that the Government will not
refuse to take up my case and consider
it specially and help me in the way
I require. Let me therefore beg you
most earnestly to ~~show me~~ ^{Show me} ~~with~~ all the kindness necessary & get
me exempted for which act of charity
I shall ever feel obliged & esteem your
obligation to the greatest degree.

Most Respected Sir there is very little
time to lose, I therefore hope to find an
early ¹⁸⁹⁸ reply. I beg to remain

the lady students now in the College and superior
to a good many. I would therefore recom-
mend that she may be exempted.
