Bd's Pro. reads and what is stated as regards these three men in col. 2 of the Application for exemption. The three men are impassed; two are now employed as Forest Guards and one as a Range Clerk & their exemption from the examⁿ rules is required in view to their promotion to the grade of Foresters or in other words, their appointment as Foresters. If the Bd. Sept. sanctions their exemption from the examⁿ rules, their promotion or appointment as Foresters will be made by the Conservator.

It is submitted that the reference in the Bd's Pro. to art. 48 of the Forest Code is not quite correct. It contains a lay down no rule & the promotion referred to is not made under that article. The appointment of Foresters is made under art. 43.

CURRENT No. 823

OFFICE OF THE BOARD OF REVENUE
(LAND REVENUE),

Madras, 24th June 1898 189

READ— letter from J.W. Cherry Esquire, Conservator of Forests, Central Circle, dated 9th June 1898, Ref. on Cur. No. 2727.

Reference No. 270 dated 24th June 1898.

Submitted to Government with the recommendation that sanction may be accorded for the promotion of Forest Guards Hussain Pacha and Ramasawmy Chetti to the Forester's class under Section 48 of the Forest Code (Vide appendix VII) and for the exemption of C. Srinivasulu Nayudu from the operation of the Examination rules in view to his being appointed as Forester.

2 The difficulties experienced in securing suitable candidates for the lower grades of the foresters' class are doubtless real and have been frequently brought to the notice of Government. The Guards in question are reported to be deserving of promotion. Hussain Pacha has had 21 years' approved service, and is now 50 years' old. He can read and write telugu well, acted as forester on Rs. 15 in 1891, and is reported by his District Forest Officer to be "by far the best guard in the District", being particularly distinguished for his influence over his subordinates. Ramasawmy Chetti is stated to be fairly acquainted with five languages, and to have been on more than one occasion specially selected for responsible work in connection with the late sandal wood frauds in Salem. Srinivasulu Nayudu who is now borne on the temporary establishment as Range clerk has passed the Middle School Examination in the second class and the Departmental test. He is said to have held charge of a Range once for about a month

and appears to have worked satisfactorily throughout the period of his temporary service extending over nearly 9 years. Srihivasa Nayudu's age is 28 and if Government is pleased to approve the recommendation on his behalf the Board will be prepared to exempt him from the age bar rule.

3 The Board authorizes the Conservator under article 3 (4) C of the public service notification to employ K. Narayanaswamy Iyer and G. Dorai-
^{Swami}~~Swami~~ Nayudu as acting Foresters on Rs. 15 until the results of the next examination in Handwriting are published.
