COPY OF PROCEEDINGS OF THE INSPECTOR GENERAL
T. No. 2802, 23rd JULY 1892. COIMBATORE.

Read letter from the Registrar of Tanjore dated 21st July 1892, No. 3374, proposing arrangements for filling up the clerks' places for the new S. R. O. to be opened on the first August 1892.

1. Your memorialist entered service in the Registration Department as Temporary Clerk on the 26th August 1890 after passing the Government Middle School Examination in the 1st Class. Till 30th June 1892 your memorialist served as Temporary an acting Clerk in 4 different Sub-Registrars' Offices in the District. Then from the 1st August 92 to 7th July 1894 without any break in the interim he was doing services as sub-protem 4th Clerk in the Registrar's Office in the arrangement, where Nannilam Sub-Registrar's Office (Exhibit A) was retired and your memorialist was made sub-protem 4th Clerk on Rs. 14 a month. Again on the 9th July 1894 your memorialist was, transferred on the same pay to Kuttalam Sub-Registrar's Office on public grounds as permanent 3rd clerk. Under the express order of Government

Order No. 465 dated 5th June 1895, (Exhibit E) your memorialist was promoted to Rs. 15 as transferred to Nidamangalam Sub-Registrar's Office on the 13th June 1896. And again he was finally transferred to Vallam Sub-Registrar's Office as permanent 4th Clerk on Rs. 15 on the 3rd December 1897.

Exhibit E) your memorialist was promoted to Rs. 15 as transferred to Nidamangalam Sub-Registrar's Office on the 13th June 1896. And again he was finally transferred to Vallam Sub-Registrar's Office as permanent 4th Clerk on Rs. 15 on the 3rd December 1897.

CURRENT No. 881

G. No. 4132, dated 9 July 1898.
Madras.

Submitted for the orders of Government.

2. The memorialist has passed only the Middle School examination and was holding an appointment of less than B 15 per mensem on 1st July 1894. He was subsequently promoted to B 15 under the impression that the exemption granted in G.O. No. 465, Educational, dated 5th June 1895, authorized such promotion. This impression has since been declared by Government to be erroneous and memorialist, with several others similarly

G.O. No. 619 Educational dated 3rd November 1897. circumstanced were specially exempted from the operation of the Public Service notification so far as to enable them to continue in their present appointment.

3. The only ~~one~~ point urged in favour of the memorialist is that he was appointed to a permanent vacancy of B 14 on 1st August 1892, that he was not confirmed in the post simply because the then Inspector General ordered that final arrangements should be deferred until orders were passed on revision of the clerical establishments which was then under the consideration of Government. The memorialist then adds that if he had been confirmed on 1st August 1892, it was more than probable that he would have been promoted to B 15 post before 1st July 1894, and would thus have been able to secure further promotions.
