Board's recommendation for doing away with the necessity of the further training of Revenue Inspectors with a survey party in case they have already passed through a — and the result of the examination was good, approved.

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), No. 325, dated 12th October 1895 :—

Read—again Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 2nd September 1895, Mis. No. 4663, forwarding to the Superintendent, Revenue Survey, Madras, for favour of his opinion, the following letter from A. E. CASTLESTUART STUART, Esq., Acting Collector of South Arcot, to the Secretary to the Commissioner of Revenue Settlement and Director of the Department of Land Records and Agriculture, dated Cuddalore, 6th August 1895, Ref. on No. 2203-Ver. :—

With reference to Board's Proceedings, dated 13th March 1895, No. 64, I have the honour to state that, in the karnams' survey school held in this district in 1893, four Revenue Inspectors, one Acting Revenue Inspector and eight clerks, who were otherwise qualified for Revenue Inspector's post, underwent survey training and certificates were granted by the Superintendent of Revenue Survey, Madras, to all of them. No substitutes were appointed for the Revenue Inspectors when they were undergoing the training, but substitutes were appointed for four out of the eight clerks—for three weeks in three cases and five weeks in one case.

2. The four permanent Revenue Inspectors who had till 1893 been drawing only the old rate of pay have since drawn the balance due to them according to the increased rate from the date of their appointment, and are now drawing at the latter rate; one of them has since been made Head Clerk of the Head-quarter Deputy Collector's office. The Acting Revenue Inspector and one of the clerks mentioned above, named Krishniengar, who was subsequently appointed to act as Revenue Inspector, have also been paid at the increased rate of pay and both of them have since been confirmed as Revenue Inspectors.

3. I have also appointed two other clerks named Loganatha Mudaliar and P. S. Natesa Iyer to act as second-class Revenue Inspectors.

4. I have received no complaints up to date regarding the ability of the Revenue Inspectors in survey work. The Assistant Superintendent of Revenue Survey of this district, whom I asked to examine them to see if they were up to the mark, has expressed his inability to do so for the present, as he has to visit Chingleput, Salem and Trichinopoly districts, and promised to examine them while the karnams' survey schools are in progress in September next. Meanwhile, the District Surveyor is seeing that they do not forget what they have learnt.

5. If, however, it is required that the seven Revenue Inspectors who received training at the survey school should be sent to a survey party again, substitutes will, of necessity, have to be appointed for them; and Government sanction will become necessary for the substitutes who were appointed for the three clerks referred to above, since, under G.O., No. 800, Revenue, dated 8th July 1885, read in Board's Proceedings, No. 2223, dated 30th July 1885, survey training should not exceed six weeks, and consequently substitutes cannot be appointed for more than that period.

6. Under these circumstances I request that the Board will be pleased either to modify its order or exempt the Revenue Inspectors noted below, who attended the survey school in 1893, from being attached to a survey party for one month as

directed in the Board's Proceedings under reference. All of them are being paid at the increased rate of pay as heretofore.

1. S. Krishniengar	...	Revenue Inspector, Sankarapuram, Kallakurchi taluk.
2. Namasivayam Pillai	...	Do. Nellikuppam, Cuddalore do.
3. Bapu Row	...	Do. Anniyur, Villupuram do.
4. Venkatachalam Pillai	...	Do. Cusba firka, do. do.
5. Dorasami Naidu	...	Do. Vikravandi, do. do.
6. Lognatha Mudaliar (Ag.)	Do.	Kurinjipadi, Cuddalore, do.
7. P. A. Natesa Iyer	...	Do. Nallore, Vriddhachalam taluk.

Read—also the following letter from H. O'C. CARDOZO, Esq., Superintendent, Mudras Survey, to the Secretary to the Commissioner of Revenue Settlement, and Director of the Department of Land Records and Agriculture, dated 9th September 1895, No. 440-R. :—

[Reference—Board's Proceedings, Mis. No. 4663, dated 2nd September 1895.]

I have the honour to state that, as all Revenue Inspectors are now working under survey officers and using survey records continually, the necessity for further training with a survey party no longer exists.

Resolution—No. 325, dated 12th October 1895.

The letter of the Superintendent of Survey read above will be submitted to Government with the recommendation that any person who obtains a certificate from a duly authorized officer of the Survey Department, that such person has gone through the course prescribed for Revenue Inspectors at a survey school, and that the result of his examination was "good," shall be considered eligible to hold the appointment of Revenue Inspector without further training in surveying.

2. The course referred to will be found at page 7 of the Superintendent's "Instructions" for the training of pupils in the survey schools, a copy of which is enclosed for facility of reference.
