To,

His Excellency

The Right Honorable

The Governor-in-Council

of Fort St. George.

Madras.

The humble petition of Muham-

-mud Raza Husain residing

in no 28 Moobrai's Road

Royapettah Madras.

Most respectfully Sheweth,

1. That your Excellency's humble petitioner is the son of the late Asad Husain Khan a Carnatic pensioner who died on the 20th March 1896.

2. That after the death of your petitioner's father the paternal Government was pleased to grant a moiety of his father's pension viz Rs 13/8 to his mother, to support her herself and her four dependants, which she could scarcely have done had it not been for the liberal help afforded to her by your petitioner's elder brother

The

the late Moklis Ali Khan regarding whose brilliant military career in the British Army the "Army and Navy Gazette" London, in one of its recent numbers gave a glowing with a portrait.

3. That your petitioner's elder brother was the Subadar-Major of the 14th Regiment Madras Infantry. He obtained a direct Commission from Her Majesty in consequence of his distinguished lineage in 1886.

4. That your petitioner's brother alluded to above, died on the 7th February last, and this sad event has caused not only great grief to your petitioner's large family but it has also reduced them almost to a state of penury on account of which your humble petitioner is unable to continue his studies for the Matriculation examination. For his late brother since his father's death took up the support of his family and paid the educational expenses of your humble petitioner. As the bread-winner of your Excellency's petitioner's family is now dead, your humble petitioner has no other alternative left but to leave school, and seek the help of your Excellency with the view of being

being kindly granted an exemption from the operation of the Upper Secondary examination so that he may be able to obtain a footing in the public service and be a help to his widowed mother and her helpless dependants.

5. That your Excellency's petitioner is 18 years of age and was a pupil of the Harris High School before his brother's death and studied up to the Matriculation examination. Besides being educated in English, he received a sound and liberal Education consistent with his birth in the higher branches of Persian Hindustani, Science & Literature.

6. That your petitioner is the great grandson of Nawab Saadut-ulla-Khan a former sovereign of the Carnatic and a lineal descendant of Nawab Moklis Ali Khan the famous cousin of Nawab Chanda Sahib, and a grand-nephew of Padsha Begum Sahiba daughter of the Jaghirdar of Culva and the wife of Nawab Azem-ud-dowla of the Carnatic and a near relation of Rahmat-un-Nisa Begum Sahiba and Padsha Begum Sahiba the first ladies of Nawab Amir-ul-omra

th. Amir-ul-umra & walaja respectively.

I. That your humble

petitioner would not seek such aid from your Excellency as he now prays for, were it not for the death of his late brother Subadar-Major Mokhis Ali Khan, but would have put forth his utmost to compete for appointment in a regular way, but the unforeseen and unfortunate circumstances above mentioned leave him no other alternative but to crave at your Excellency's hand the exception generally granted to members of the Carnatic family, which he humbly trusts your Excellency would be pleased to grant him for the reasons set forth above and also because he comes under

that Category of those alluded to, in one of the "Right Honorable the Secretary of States" despatch on the simultaneous examination question viz. That the sons of once ruling and warlike races of India should be granted the higher appointments of the public service, without being required to pass the necessary examinations qualifying for such posts.

For which act of kindness your humble

humble petitioner in duty bound will ever pray.

Harris High School
Royapettah

Muhammad Raza Husain was a pupil of this school for many years. He was reading in the sixth form of this school. The sad death of his talented brother Subadar Major Mokhis Ali Khan leads him to discontinue his studies as there is no longer any member of his family able to support him and his mother. His conduct & progress in school were uniformly satisfactory.

Muhammad Raza Husain was a student studying in the fourth form of the Harris High School when I was the Head Master of the school, and is well known to me. He is an intelligent young man and bears a good character. As a student he was regular in attendance and discharged his duties to the satisfaction of his master. He is connected with a respectable family and I am confident that he will discharge the duties entrusted to him honestly and with due diligence. He has my best wishes for his success.

To,

The Chief Secretary to Government

Sir,

* Herewith returned.

With reference to your endorsement N^o 875 dated 5th April 1898 "Educational", on petition Current N^o 435 from Muhammad Raza Husain, I have the honour to report that of late such petitions have become numerous and I quite agree with the opinion expressed by the late Colonel Baynes in one of his reports on a similar petition in 1882, embodied with G.O. N^o 93 "Political" dated 31st May 1882, that such Concession tends to render them less energetic.

2. Should Government however be favourably disposed towards the petitioner whose circumstances have been materially changed since the premature death of his eldest brother the late Subadar Major Bunkhis ali of the 14th M. S., his case may be specially dealt with but on the distinct understanding that it may not be taken as a precedent by others.

3. Petitioner is, as he states, well connected with the family of Chanda Sahib the former ruler of the Carnatic, but he has little or no connection with the Carnatic family, as he is a son of a nephew of "Mikahi" lady of the 1st Titular Nawab of the Carnatic.
