GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 1st December 1897, No. 13289.

I have the honour to request that, in the circumstances set forth in the next paragraph, you will be good enough to obtain the sanction of Government for payment of a local allowance of Rs. 2 per mensem to the gymnastic instructor, Board Lower Secondary school, Russellkonda, with effect from the 1st January 1898, for teaching gymnastics to the students of the Government Training school, Russellkonda.

2. Since the transfer of the taluk school to the District Board, Ganjam, under G.O., No. 1869, Financial, dated 13th August 1884, its middle and primary departments have been used as the practising section of the training school, and as a separate gymnastic instructor is not considered necessary for such a small number of students as are annually admitted into the training section, the gymnastic instructor of the board school has been required by the Inspector to teach gymnastics to the students of the training class also. This arrangement seems to be a more economical one than the employment of an additional permanent hand with pensionary liabilities.

3. The charge will be met from the lump provision for special contingencies for Government training schools in the budget estimates for the current and next year.
