From the Hon'ble Mr. D. DUNCAN, M.A., D.Sc., LL.D., Director of Public Instruction, to the Secretary to Government, Educational Department, dated Madras, 23rd October 1897, No. 11852.

I have the honour, with reference to the enclosed copy of a letter from the Principal, Medical College, to inquire whether any orders have been passed regarding the admission into the Apothecary department of the Medical College of A. H. Wheatley and J. E. Branson, two students from the Straits Settlements, the only communications received from Government on the subject of the admission of Colonial apprentices being G.Os., Nos. 424 and 464, Educational, dated 26th July and 10th August 1897, respectively. If no communication has been received from the Straits Government in the matter, I beg to request that the Principal's action in having admitted the two students named above may be approved at an early date.

Enclosure.

From Surgeon-Lieutenant-Colonel W. R. BROWNE, M.D., Principal, Medical College, to the Director of Public Instruction, dated Madras, 6th October 1897, No. 228.

I have the honour to inquire whether any Government Order has issued, authorizing the admission into this college of the marginally-named Colonial apprentices. They were allowed to join the class on the strength of the enclosed letter from the British Resident, Perak, and, in anticipation of the receipt of the usual order from Government, for want of which it does not seem possible to draw stipends for these students.
