A grant towards "reversible desks" wh. are for the pupils is opposed to the general rule referred to in rule 2 (iii) p 28. Is it usual to ignore this rule.

THE HONORABLE MR. D. DUNCAN, M.A., D.SC., LL.D.,
DIRECTOR OF PUBLIC INSTRUCTION,
Madras,

To

THE SECRETARY TO GOVERNMENT,
Educational DEPARTMENT,
Fort St. George.

x (to be kindly returned)

SIR,

I have the honour to submit applications for grants for furniture &c as detailed in the margin, required for the use of the London Mission High School, Coimbatore, and to recommend a half grant under Chapter VIII of the same.

Furniture &c 877-8-0

Grant-in-Aid Code towards the cost of the same.

2. All the articles of furniture &c, with the exception of 15 reversible desks and three black-boards, are required for the exclusive use of the upper secondary department which is eligible for grants from Provincial funds. The manager might ask a half grant from municipal funds for the articles of furniture required for the Lower Secondary department, but, as stated in paragraph 2 of my letter to Government, dated 21st December 1896, No. 13898, recommending grants for the new building for the School, the Municipality is already spending on education over 15 per cent of its income from taxation and is not, therefore, likely to sanction this grant. I would, therefore, strongly recommend that a grant of Rs. 800 in round numbers may be sanctioned from Provincial funds.

3. The grants will, if sanctioned, be paid on submission of the necessary vouchers. Out of the allotment of Rs. 19600 provided in

the current year's budget under "Furniture and other special grants" payment of Rs. 12289-11-3 has been authorized up to date.

I have the honour to be,

Sir,

I may be allowed to point out that the Director does not raise a doubt whether the Grant Aid Code sanctions Provincial Grants to Lower Secondary Schools in District Municipalities. It does not (please see pp. 4 & 5: Code, paras 5 & 6). But that Code governs ~~only~~ ^{alone and} the Director, not the Government. It is open to Govt. to make an exceptional Grant, & it is for this reason the Director draws the attention of Govt. specially to the circumstances & asks special sanction.

2. His point is that only a small sum concerns the Municipality, & that as the Municipality is extremely unlikely to go above its present liberal provision for Education, it is no use asking it, while Govt. might just as well include this small sum in the ordinary Grant sanctionable by rule.

15 desks cost 195 Rs.
3 Black-boards 27.12

Half Grant 232.12
116 Rs. This alone pertains to the Lower Sect.

NOTE FOR THE Secretary

H. M. has asked

(1) as to the applicability of the rules to the proposed grant, & notes that the rules quoted do not touch the doubt raised by the D.P. I. as to a Lower Secondary School which should apparently indent on Municipal Funds:

(2) whether it is usual to ignore Rule 2 (iii) Ch VIII, to which a grant towards reversible desks is opposed. as to (i) Rule 5 (ii) of Ch I. is applicable. It is pointed out in the office note below that when the municipality is unable to pay the whole of the grant payable by it, the grant is usually paid by Govt. (or. Flag).

as to (ii) please see the office note. In reversible desks, the desks can be turned over to form the back of the seat
