The humble petition of N. J. Ramanna
Writer, Station Hospital, Cannanore
Thro' The Medical Officer, Station Hospital
Cannanore

Respectfully Sheweth.

That your honor's Petitioner was appointed as Civilian Writer Station Hospital Calcutta, in the year 1884 on a Salary of Rs 35 and he has then put in a Continuous Service of 14 years in the above place. This Long Service has been taken as pensionable under the Government of India order no 3220D dated 14 July 1893, Communicated in G.O. No 4924 dated 29 Idem.

2. That he is burdened with a large and growing family and finds it very difficult to make both ends meet with this pittance of 35 Rs. Circumstances as he is at present he has little or no hope of getting an increase to his pay. To ask him to continue in the same

post

post on the selfsame salary all life long must naturally damp all spirit and energy in him

That Petitioner is unfortunately debarred from appearing for any Special public Examination that would qualify him for Service in other Departments, for the simple reason that he has not passed the preliminary Educational Test.

The order of the Government of India quoted above declaring the long Service the Petitioner has put in as pensionable under the Civil Service Regulations is tantamount to an award that the

Petitioner is virtually exempted from passing the above General Educational Test for no one could be entertained in the public Service on a salary of Rs 15 and above unless he has already passed such a test.

And that in these circumstances he humbly and respectfully requests your honor will be graciously pleased to take the necessary steps under Circular No 24 dated 10 September 1894 from Head Quarters, Madras Army to obtain a declaration from the Government

There will do not apply to the rule Sept. will 80 73 3-495

Government of Madras to the effect that he is virtually exempted from passing the General Educational Test, for which act of kindness Petitioner shall as is duly bound

Ever pray.

The humble petition of K. J. Ramunni

Thro' The Medical Officer, Station Hospital
Cannanore.

Respected Sir,

Referring to your Memo No. 4012 of
the 11th ultimo I beg to submit that the second
application of mine differs from the first
in that the latter is made to move the
Government for a formal declaration
that I am virtually exempted from passing
the Entrance Educational Test required of
all Candidates for public Service, seeing
that my long Service in my present appoint-
ment has been recognized as pensionable
under G. O. No. 4924 dated 29th July 1893,
while by my first application I appealed
to Government through you to exempt me
from passing the Educational Test as
well as all Departmental Special Tests.
These latter tests I am willing to
Compete for with a view to qualify
myself for any Special Department.
Under the public Service notification
to appear for these Examinations either

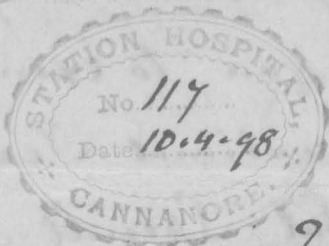

9

I must pass the preliminary Entrance Examination or I must be formally exempted by Government from passing such an Examination. My prayer is for a formal ratification of the exemption I am now virtually enjoying regard being given to the fact that I am drawing Rs 35, as a Civilian Writer in a pensionable post.

In these Circumstances I humbly crave that my case may be kindly reconsidered and my Second application herewith resubmitted may be sent up to Govt. with your honor's strong recommendation for which act of benevolence I shall ever feel beholden to your honor.

I beg to remain

SIR,

I have the honor, with reference to P.M.G. Military Department No 4905 dated 7th August 1894, to submit the enclosed application from K.T. Ramuni, Writer of the Station Hospital, Cannanore. In 1895 the applicant requested that he might be declared eligible for posts in the Revenue Department carrying pay ranging from Rs 35 to Rs 100 without passing any Special Test Examination. Government of Madras in P.M.G. Educational Department No 194 dated 31st March 1898 replied to the above to the effect that it was "not prepared to comply with the request of the petitioner". Applicant now requests that he may be exempted from passing the General Entrance Examination with a view to appearing for the Special Test Examinations.

2. In forwarding this, I am unable to offer any opinion as to the merits of the application.
