Adverting to G.O. No 189 Educational dated

19th March 1898, I have the honour to resubmit the plans of the A.M.C. Association's new buildings, with a letter from the Consulting Architect, No 138 dated 18th April 1898 and its enclosure, showing the superficial area and the approximate cost of the several rooms. As regards the grant for the front elevation I understand from paragraph 2 of the G.O. under reference that Government is inclined to allow the usual one-third grant. The total grant now comes to Rs. 24985 as shown below:-

	Cost Rs.	Grant Rs.
(1) Cost of the technical class rooms	13518-0-0	
(2) Three-fourths of the cost of the library room	4544-12-0	
(3) Do Reading room	3890-4-0	
(4) Cost of the Intercollegiate Department of	5172-0-0	
(5) Cost the hostel	21513-0-0	
(6) Cost of the stairs and bath room	4395-0-0	
	52855-0-0	
(7) Proportionate cost of the site	16117-0-0	
	$\frac{E. 37400 \times 52855}{122600}$	
(8) Excess cost of the front elevation	6000-0-0	

Total cost 74950-0-0

2. A grant of Rs. 24985 may be sanctioned subject to payment by instalments in five years. The first instalment of Rs. 5000 may be paid during the current year. Payment of grants amounting to nearly Rs. 9000 has been authorized up to date, out of the current year's allotment for building grants of Rs. 30000.

I have the honour to be,
Sir,
Your most obedient servant,

A grant of Rs. 24,985 is sanctioned, subject to payment by instalments in five years, as recommended by the D.P.I. The first instalment of Rs. 5000 will be paid during the current year.

Please see G.O. no. 189 Ed 19th March 1898 - pag 4.
It was stated therein that a full one-third grant might be given for
(1) the technical class-rooms,
(2) the Intercollegiate ^{rooms} Dept.,
(3) the hostel;
that one-third grant might be given on three-fourths of the cost of
(1) the library &
(2) the reading room,
and that the additional cost entailed by the ~~also~~ revision of the elevation of the building on the suggestion of Govt should be taken into account in fixing the basis on which grant should be

calculated and the D.P.I. was asked to report in consultation with the Govt. Architect the cost figures of the items admitted for aid. In no 743, the D.P.I. gives the required figures:-

- (1) cost of the technical class rooms - Rs 13,518-0-0
- (2) " " Intercollegiate Dept - Rs 5172-0-0
- (3) " " hostel - Rs 21,513-0-0
- (4) three fourths of the cost of the library - Rs. 4344-12-0
- (5) " " " Reading room - Rs 3890-4-0
- (6) excess cost of the front elevation - Rs 6000-0-0

In addition to these items which are mentioned in G.O. no. 189 Ed & 19th March 98, the D.P.I. also gives the following items:-

- (7) Cost of the stairs and bath room - Rs 4395-0-0.
- (8) proportionate cost of the site - Rs 16,187-0-0

The Consulting Architect considers that

it is only reasonable that a proportionate cost of the entrance and stairs which give access to the rooms and the bath rooms should be added & the D.P.I. has accordingly included

the item no (7). As regards no

(8) it was not the intention of Govt that aid should be refused for the site. These items amount to Rs 74,950-0-0 - and a

one third.

The cost of the stairs & bath room is not included in the figures of area given by the Govt. Architect. The cost of the stairs & bath room is not included in the figures of area given by the Govt. Architect.

on the back of p. 6 of office note, the Hon. Secy. has observed "The front has to be calculated on the attached area and x x x on a portion of the staircases". H.T.

Certainly not. See Hon. Secy. on marked portion of p. 6 of office note. H.T.

one-third grant towards these comes to Rs 24,983-5-4. The Director recommends a grant of Rs 24,983 and proposes to pay the amount in five instalments, the first instalment of Rs 5,000 being paid this year.

It may be noted that in the first instance the D.P.I. recommended a grant of Rs 20,880 which he considered to be a most liberal aid. He now recommends a grant of Rs 24,983 -

orders are solicited.

Five seems better than three, as at first proposed, considering the largeness of the sum to Govt. H.T.

This may be mis-understood. The D.P.I. simply reports details - the grant was determined by Govt. H.T.

Yes. It follows the line already approved. H.T. 31.8.98.

H.T. The grant may be approved as now recommended by D.P.I.

 these comes to Rs 14983-4
 The Budget recommendations for
 grant of Rs 14983 and further
 to pay the amount in four
 instalments, the first instalment
 of Rs 5000 being paid this year.
 It may be noted that in
 the first instance the Rs 5000
 recommended a grant of
 Rs 10,000 which he considered
 to be a most liberal order.
 He now recommends a grant
 of Rs 14983-4
 which are attached.

It seems

 amount of
 Rs 5000
 is not
 sufficient
