To the P.W.D. - 140 Dated 20. 9. 98

THROUGH,

& SECRETARY TO GOVERNMENT P. W. D.

THE EXECUTIVE ENGINEER

Tinnevely Division.

The humble petition of R. Srinivasa Rau Temporary Clerk P. W. D.
Sriyaikuntam Sub Division.

Most respectfully sheweth:—

I The petitioner has passed the Middle school Examination in the first class held in December 1890 and was entertained in the Department as an acting clerk (vide E. E. No. 2796. 15th November 1891) on Rs. 15 (Fifteen) & subsequently a temporary clerk in the same grade (vide E. E. No. 1327. 27th April 1892) classed as 'superior' in the Civil Service Regulations, and has a service of nearly seven years without any break whatever.

II The Superintending Engineer VI circle objects to his getting a permanent appointment on the ground that he is not eligible according to the present rules.

III In the Public Service Notification passed in G. O. No. 317 dated 9th May 1894, three notes are attached for guidance.

NOTE (1).—The rules contained in this Notification shall in no wise affect the Promotion of persons who held permanent appointments before they first came into force on the 1st July 1894, provided that their promotion was not already barred by any rules previously in force nor shall they apply to persons acting in appointments for which, though qualified under the rules in force on the 30th June 1894, they may not be qualified under the present Notification, such persons being eligible for confirmation in the appointments in which they are officiating if they fall permanently vacant before termination of the acting incumbency.

NOTE (2).—These rules apply, unless otherwise expressly provided, to all appointments, whether pensionable or non-pensionable, temporary or acting.

NOTE (3).—Appointments carrying incremental pay are, for the purposes of this Notification, treated as appointments carrying a fixed pay equal to the average pay calculated in accordance with Article 164 of the Civil Service Regulations.

IV The humble petitioner begs to bring to Your Honor's notice that he is not disentitled to get a permanent footing by note 1 and 2, because they cover the temporary appointments also.

V In the Public Works Department, appointments begin as temporary and a candidate, acting or temporary, can hardly expect to be made permanent as the vacancies in the permanent establishment are very few and far between, and even when one occurs the claims of men not only in the Division but in the circle are taken into consideration. The petitioner holds the present temporary appointment nearly for the past seven years without a break & submits it to be a very hard punishment that he should be asked to go away, deprived of every chance of getting a permanent footing, for no fault of his own, since, he entered the Department as a clerk on Rs 15 at a time when he was fully qualified for Superior service on Rs 15 and upwards under Government.

VI Quite recently Government exempted a person from the examination rules. He is a Middle School Candidate like the petitioner but happened to be in Periyar Project. After this he was in the service of a Municipal Council and when a vacancy occurred in this Division he was recommended and exempted. There is, however, this difference between the petitioner and that person. He served in the Periyar Project but had a break in service, the petitioner did not serve in Periyar but has a continuous service.

VII Under the above circumstances the petitioner respectfully prays, Your Honor be graciously pleased, in view of his long hard service nearly for the past seven years, to exempt him from the operation of the examination rules and to confer an everlasting boon on him by extending to him also the concessions liberally granted by Government in para 2 of G. O. No. 67 dated 2nd February 1894.

VIII For which act of kindness and charity Your Honor's humble petitioner shall in duty bound ever pray for Your Honor's long life & prosperity.

20th July 1898.

Submitted to the Executive Engineer for favourable consideration.

The petitioner it seems has put in a total service of about 7 years in the department without a break and I think it will be very hard upon him if he is not given a permanent posting when vacancy occurs.

If the petitioner is not eligible for a permanent posting according to the rules notes 142 of Public Service Notification passed in G.O. No. 317 7-5-94

This is a fit case for exemption from the operation of the examination rules and his claims may therefore be brought to the notice of government.
