Office of the Director of
Public Instruction,
Madras, 31st August 1898.

No 10055

From

The Honourable Mr.D.Duncan,M.A.D.Sc.L L.D.,

Director of Public Instruction,

Madras.

To

The Secretary to Government,

Educational Department.

Sir,

Enclosures

One plan with abstract and detail
estimates for Rs.3760.

estimates amounting to Rs.3760

for extending the building

occupied by the Madanapalle High

School and to recommend a third grant of Rs.1253 under Chapter

VII of the Grant-in-Aid Code. When I visited Madanapalle in July

last, I satisfied myself that the proposed extension is necessary.

The present building is the property of Government and was lent

to the Manager-one of the conditions of the loan being that he

should bear the cost of the extensions. A grant may, however, be

given for the purpose, as Government saw no objection to sanction

a grant for extending the Tiruvalur Board High School building

(Tanjore District) which also belongs to Government (vide G.O.No

783, Educational, dated 24th September, 1895).

2. The plan and estimates now submitted have been prepared by
the Superintending Engineer, those received from the Manager
having been found faulty.

3. The grant will, if sanctioned, be paid on receipt of the
necessary completion report. Out of the budget allotment of Rs.35000
provided for the current year under the head "building grants"
payment of Rs.19229 has been authorized up to date.

I have the honour to be,

Sir,

Your most obedient servant,

J. Duncan

Director of Public Instruction.
