Read—the following paper:—

G.O., No. 509, Educational, dated 15th August 1898.

Read—the following letter from the Principal, Rajahmundry College, to the Director of Public Instruction, dated 12th July 1898, No. 123:—

With reference to your endorsement, No. 2807, dated 14th March 1898, on G.O., No. 119, dated 25th February 1898, sanctioning an estimate of Rs. 2,200 for the repairs of a lecture-shed in the college compound, I have the honour to state that the Executive Engineer, Gódávari Eastern division, now reports that the existing foundations and walls are too slight to carry the repairs needed, and has forwarded an estimate for an almost new building at a total cost of Rs. 2,680.

As this estimate, at an additional cost of only Rs. 480, provides for a substantial and practically new building, I request that you will be pleased to sanction it at an early date.

Endorsement of the Director of Public Instruction, Madras, dated 2nd August 1898, No. 8351.

Submitted to Government for sanction, with reference to G.O., No. 119, Educational, dated 25th February last.

Order—No. 509, Educational, dated 15th August 1898.

The plan and estimate are approved and will be transferred to the Public Works Department.
