R. V. Subramania Mudali. About 23 yrs. 6 months. Middle School - 2nd class.	Foresters class - 15-25 Rs. Permanent.	Permanent	From 20th February 1898.	First Application	It has been on several occasions brought to the notice of the Bd. and Govt. that much difficulty is experienced in filling up the last grade of the Foresters class carrying a salary of Rs.15 as most of the qualified men appointed resign afterwards as soon as they become a little acquainted with the forest life. It has been therefore considered that men for this class should be recruited from the class to which Forest Guards belong - essential qualification being good physique - vide Bd. Pro: F. 216 dated 6th June 1898.	This candidate entered the Deptt. in May 1895 as Gundar Shola Depot Clerk on the Tempy. Estt. and was then taken into the Kodaikanal Range Office as Range Clerk in July 1896 and was subsequently confirmed in that appointment. On the recommendation of the Dt. Forest Officer Madura and considering the urgency of his requirements for additional men the Range Clerk was appointed as Forester on 15/- on trial in the same Dt. for 3 months from 20th February 1898 subject to his being exempted by Government from passing the Admission tests if his work and conduct proved satisfactory. Mr. Porter reports that he considers him to be physically equal to and to be acquainted with the work and to have given satisfaction during the trial. His exemption from Examination rules with retrospective effect so far as it relates to his appointment in the Forest Deptt., is therefore recommended.
